Jr. Varsity Tallies 61 To Aces 38

The Junior Varsity Basketball team last Saturday night turned in one of the highest scores seen in the Lady Beaverbrook Gym in a long while. The J. V.'s tallied 61 points to the Edmunston Aces' 38 to make it their second win of the season against one loss.

The game was rugged to say the least with Edmunston team playing a style of ball all their own. Junior Varsity kept the game going at a fair clip and beat the Edmunston team by their better condition and the fact that they were used to the large floor. The return match in Edmunston, if there is to be one, will likely be an exciting game.

This weekend the J. V.'s will tangle with Saint John St. Peters in a game which should be a fair indication of things to come as far as Junior Varsity is concerned. After Saturday the J. V.'s will pack up their basketballs until after Christmas.
