Missioners Lecturing On "Christian" Question All Week Are Outstanding Men In Their Fields

REV. DR. GERALD CRAGG

DR. GEORGE GRANT

REV. JAMES H. L. PUXLEY

MISS LAURA K. PELTON

The panel of four speakers conducting the University Christian Mission on the campus this week are shown here. Dr. Gerald Cragg, as the Chief Missioner, is delivering the Theme Addresses to large audiences in the Memorial Hall each evening.

A prominent figure in Canadian and American Church Circles, he is at present the pastor of the Erskine and American (Presbyterian) Church in Montreal. The associate missioners are heard in daily lectures from 12 to 1 p.m. at various points about the Campus. Dr. Grant, who took his Ph.D. from Oxford, is at the present time a professor of philosophy at Dalhousie University in Halifax. Rex. James Puxley, whose career includes service with the Indian Army is the General Secretary of the Student Christian Movement in Canada. Miss Laura Pelton is Overseas Executive Secretary of the Women's Missionary Society of Canada. The Missioners are also conducting "bull-sessions" for smaller groups each evening following Dr. Cragg's Address.

Mission Offers More than Lectures to Individual Student

An aspect of the University Christian Mission which might appeal to those students who wish a more personal contact with the lecturers has been pointed out by officials directing the Mission. This consists of the discussion groups which are to be held each evening following Dr. Cragg's Theme Addresses; of the personal interviews which may be had with the missioners during the afternoons this week; and the periods of worship each afternoon from 5 to 5.30 p.m.

For the convenience of those students who had not been acquainted with this part of the mission the following listing of times and places for these additional activities is printed below.

Worship

A period of worship will be held each day from February 5 to 8 in the Forestry Building from 5:00 - 5:30 p.m. for all who wish to attend.

Discussion Groups

At 8:30 p.m. after the conclusion of addresses by Dr. Cragg the main body will be divided into four groups with a Missioner in charge of the discussion for the purpose of discussing previous addresses or suggestions found in the sugges-

tion boxes, if they are brought to the Missioner's attention.

'51 YEAR BOOKS GO ON SALE

Orders for the 1951 Year book are being taken today in the Arts Building, Thursday in the Forestry Building, and Friday in the Civil Engineering Building. This year is probably the last year that the book will be available to the student at the low price of \$2.50 per copy. You can be sure of a copy only if you place your order now as very few copies above the number ordered will be available when the book is published. There is a firm guarantee of prompt delivery this year.

The wealth of invaluable memories that the Year Book contains will be appreciated by every student. The small graduate section this year will eliminate the undergraduate charge that the Year Book is for Seniors only. With graduates only in the Science and Arts faculties it will be possible to devote more space to general activities and sports.

Presidents of clubs are reminded that write-ups for their organizations should be handed in promptly to ensure inclusion in the

DISPLAY RACK HAS NEW USE

The display rack in the lobby of the Library has been put to a new use. All the latest arrivals of books will be set out in the rack for general inspection as soon as the books have been received and catalogued. Of course not all these books will be hot off the publisher's press; rather they will be books new to the Library, regardless of publication date.

Latest additions, which formerly went unannounced into the main stacks, will be placed in the display rack approximately two or three times each week. Thus faculty and students will have the opportunity of keeping up to date on the Library's latest acquisitions.

All books in the display rack are available for circulation.
