

U.N.B. Advances to N.B.-P.E.I. Hockey Finals

Whips Mt. A. 2-1 at Sackville

(By Frank Walton)
Last Friday night at Allison Gardens in Sackville the UNB Senior Varsity Hockey squad downed the Mount Allison squad 2-1 to gain the right to enter the N.B.-P.E.I. Intercollegiate Hockey Finals against St. Thomas University who beat out St. Dunstan's 16-9 in a similar series. The first game of the championship round will be played at the York Arena here this Thursday night with the return game in Chatham the following week.

The game itself was a close checking affair with the Marshmen playing a more steady game than they played here in the opener. With the return of Bob MacMichael to the lineup, Mt. A. were able to check Varsity more closely and succeeded in breaking up most of the UNB plays at center ice before they could get started. The UNB players, irritated by the brand of hockey played by the Tantramar team, were given ten of the seventeen penalties handed out by referees James and Fullerton. Art Lorimer of UNB was the bad man of the game drawing four minor penalties while Ralph Donkin of Varsity and Bob MacMichael of Mt. A. each spent six minutes in the cooler.

UNB opened the scoring early in the first period when George Kennedy connected on a pass from Jack Elliott. Two minutes later Ian Colquhoun passed to Art Lorimer who produced Varsity's second goal. Mt. A. completed the scoring when Kneal beat MacLellan after taking a pass from Wayne Pendleton. The teams then settled down to a deliberate style of play, slowing the game down considerably. The shots on goal were pretty well even with UNB goaler Clyde MacLellan making 25 stops while Irving in the Mount Allison cage handled 24 shots successfully. At the fifteen minute mark of the third period, Fred Henderson of Mt. A. severely injured his knee in falling to the ice after taking a check from Varsity defenceman Ian Colquhoun. He had to be carried from the ice and was not able to return to the game.

Lineups:
U.N.B.: Goal, MacLellan; defence, Wagar, Ouellette; centre, Ketch; wings, Lorimer, Louis; subs, Hallet, Colquhoun, Thompson, Donkin, Kenney, Kennedy, Elliott, Wilson.
Mt. A.: Goal, Irving; defence, Pringle, Crowe; centre, Eastman; wings, Henderson, Duffy; subs, Fraser, MacMichael, Smith, Pendleton, Kneal, Matheson, MacKinnan, Russell.

Referees: James, Fullerton.
Summary: First period, scoring, 1. UNB, Kennedy (Elliott) 4:01; 2. UNB, Lorimer (Colquhoun) 6:11; 3. Mt. A., Kneal (Pendleton) 8:12. Penalties, Matheson, MacMichael, Wilson, Lorimer, Donkin.
Second period, scoring, none. Penalties, Lorimer (2), Donkin, MacMichael (2), Russell, Duffy.
Third period, scoring, none. Penalties, Ouellette, Donkin, Thompson, Pringle, Lorimer.

Intramural Hoop

The intramural basketball league has finally wound up with Residence B Faculty ending up in a tie position for the leadership of the A section while in the B section the Flashy Frosh won very easily with five wins and no losses. The playoffs will be delayed a week, however due to the Maritime Intercollegiate Badminton Meet which will take place all day Wednesday at the gym. The playoffs are scheduled to get underway on the 28th of February.

The crucial games in the A section were the ones between the Kigmies and the Faculty and the contest between the Residence B and the Artsience. The Faculty beat out the Kigmies for the number one spot by defeating them 43-34. The losers were led by Ken (Continued on Page Eight)

Engineers Star In Hockey

The ALL STAR ENGINEER hockey team had an impressive line-up this year. Although the foresters won (it is rumored that they had "Rocket" Richard in their line-up) the engineers fought the battle of the century.

Some of the Engineers who starred in this big event are:
Ron Ketch, varsity centre. A sophomore C.E. from Fredericton, a lad with plenty of dry humour whose favorite expression is "It must have been beans."

Tim Bliss, varsity leftwing. A sophomore C.E. from Fredericton. He earned the name "Mission Successful Bliss" on the Quebec trip. Tim is now with the Caps and we hope stars with them as he did with us. Tim is also a former Maritime Intercollegiate Tennis Champ.

Ralph Donkin, varsity leftwing. A junior C.E. from Saint John, he should be down in Madison Square Gardens introducing the pugilists before the fights. He has an accent strictly from the Bronx.

Jack Thompson, varsity centre. An intermediate C.E. from Fredericton. He picked up quite a few French expressions but that pro-

nunciation is strictly Slobovian. Jack also has been one of the big guns of the Varsity Rugby Team, for the past three years.

George Kennedy, varsity centre. An intermediate C.E. from Saint John. "Our fair haired boy" didn't waste much time when he arrived in Newcastle. He takes a course in typing at the business college... that's one way of meeting them, eh George?

Ian Colquhoun, varsity defence. An intermediate C.E. from Valleyfield, Que. He nearly fell over when he saw a dog team whiz by in Quebec City. He is quite an interpreter... listening patiently and then calls to Rene, "You better talk to this fellow." Ian also starred on the varsity Canadian Football team for the last two seasons.

Bob Bliss, varsity rightwing. An intermediate E.E. from Fredericton. A pretty quiet lad although he was beaming like an airport beacon at Porte St. Jean.

"Punchy" Walker, goalkeeper. Recently turned pro with the Caps. Known to his classmates as O.O. H.B. he is expected to strengthen the team defensively.

With the Engineers in Basketball

Engineers are also prominent in the Varsity Basketball Team where the following appear in the line-up:
Bob Smith... "Smitty" is the 6'2" centre of the senior varsity who is always among the top scorers. He is playing his fourth year of varsity basketball and is an Intermediate Civil.

Eric Garland... Eric is a sophomore civil and is playing his first year with senior varsity. A 5'10 1/2" forward, he comes to U.N.B.'s Basketball team from Moncton High.

Sterling Shephard... "Shep", a Junior Civil is another first year member of senior varsity. A 6'1" guard, he is one of the boys from the Miramichi.

On the boxing team the Engineers are represented by:
Allen Neil Al, a fourth year Civil Engineer, won the Maritime Intercollegiate Middleweight Championship in his first year of boxing. Last year Al was eliminated in one of the closest fights ever held at U.N.B. Al also plays on the varsity football team and is active in the Ski Club.

Schedule
Wednesday — All Star Foresters vs. All Star Engineers.
Thursday — First game — N.B.-P.E.I. Intercollegiate Hockey Championship.
Friday — Deciding game — N.B.-P.E.I. Intercollegiate Basketball Championship.

Sports Notices

The UNB Senior Varsity cagers will be at home to the Garnet and Gold hoopsters this coming Saturday night at the Lady Beaverbrook Gymnasium. This will be the second game of a home and home series for the New Brunswick Intercollegiate Basketball Championship. The Red and Black won last Friday at Sackville but only by a narrow one point margin so the game this Saturday night will be a thriller. Turn out to support your team.

The Red and Black hockey squad will be hosts to St. Thomas College this Thursday evening at the York Arena for the first game of a home and home series for the N.B.-P.E.I. Intercollegiate Hockey Championship. St. Thomas whipped St. Dunstan's 16-9 to get into the finals.

Does your name start with Don? Chances are if it does and you tried out for the swim team, you made it. This year's squad consisting of eight members has five Dons on it. Team members are: Don Biggs, Don Gregg, Don Macaulay, Don Fowler, Don Bell, Bob Coke, Bob MacLean and Wendall Halsall. These boys will be leaving in the near future for the Maritime Intercollegiate swim meet which is to be held on March 8th, at Acadia University.

Acadia will also be the scene of the Maritime Intercollegiate Track and Field Meet. It will be held there on the 12th of May.

The Lady Beaverbrook Gymnasium will once again be the scene of the annual New Brunswick Interscholastic Basketball Tournament. The tournament will be held on March 1, 2 and 3. The defending champions are Fredericton High School. However, strong entries are expected from Saint John High School and Saint John Vocational School. U.N.B. student passes will be honoured on Thursday and Friday afternoons only.

Gets Support

The Ski Club has received some unexpected support in its bid to enter the Canadian Intercollegiate Ski Meet at Ottawa today. The help, in the form of one hundred dollars, came from Bill Murray, former member of the U.N.B. Ski Team now skiing in Vancouver and at other points on the west coast. Needless to say the generous offer has come too late.

Streaks, Ghosts Win Intramural Hockey League

Regular play in the intramural hockey league has finished with the Silver Streaks winning the A section while the Alexander Ghosts ended up on top in the B section. The playoffs began last Monday.

The Silver Streaks ended up with unblemished record by winning over the Freshman Dodgers 11-3 to finish with three wins and no defeats. The Frosh were completely dazed by the fast skating Streaks who didn't appear to exert themselves in racking up their impressive win. The winners were led by Hyslop who accounted for 4 goals. He was followed by Craig, Titus and Menzies who each scored twice while McAdam notched the other Streak goal. The scorers for the Dodgers were MacFarlane, Dee and Bleakney.

The second place team in the A section is the Intermediate Foresters who won a surprisingly easy win over the Freshman Cardinals to the tune of 7-0. The Foresters' sole defeat was suffered at the hands of the Streaks who edged them 2-1. In the game with the Cardinals the Foresters were led by Haswell and Chisholm who scored two goals apiece. Bushell, Sewell and Wintle accounted for the remaining goals each scoring

once.

The winners of the B section, the Alexander Ghosts didn't play last week but they automatically gained the number one spot as they were four points ahead of the nearest rivals, the Soph. Combines and the second and fourth year Engineers. The second place in the B section is jointly held by the Soph Combines and the Residence. The Sophs moved into the number two position by virtue of their narrow win over the third and fourth year Civils. The Combines managed to stave off a last period attack by the Civils and come out on top 3-2.

Prime was top man for the Sophs as he notched two counters while Cochran accounted for the other goal for the winners. For the Civils Burt scored once as did Goodin. In the other B section game the Residence beat out the second and fourth year Engineers by a 5-2 count. By virtue of this win the Residence displaced the Engineers from second place in the league. Previously both teams had been tied for the number two spot but the Residence now moves into a tie with the Soph. Combines for second position. The Residence were led to victory by Bleakney
