Here is an opportunity you should not miss

The expanding defence programme has created a demand for a large number of officers in the Navy, Army and Air Force. University undergraduates can play an important role in filling this gap. At the same time, you can benefit greatly under the terms of the recently inaugurated Regular Officer Training Plan.

Under this plan, the Canadian government offers university students *most generous* financial assistance throughout their academic careers. The financial assistance offered students entering or already attending an accredited university or Canadian Services College is coupled with outstanding career opportunities in any branch of Canada's Armed Forces.

Students taking advantage of this plan are required to actively serve Canada as an officer of the Navy, Army or Air Force for a minimum of three years as a commissioned officer subsequent to graduation.

Cost of tuition fees, students' union or council fees, registration fees, library fees and students' health fees will be borne by the Armed Forces. In addition, undergraduates will be entitled to receive reimbursement for the cost of books and instruments for each subsidized university year—medical students an amount up to $75.00—all other faculties an amount up to $50.00.
