

BLOOMERS WIN; ROMP OVER MT. A.

OPEN TWIN BILL

Playing the first encounter of the evening the Red Bloomers started the triple win week-end off with a 39-29 win over the Marshland girls in a slow but steady game. U.N.B. did most of their scoring in the first half as Bliss, Lange and Ogilvie showed their well-timed form. Dot McDade was again the stalwart guard as Sally Scovill and Diane Edwards worked on either side of the key. The first half tended to be rough as U.N.B. picked up the majority of the fouls with Mt.A. unable to capitalize on any.

Opening the game U.N.B. forged ahead as Bliss and Ogilvie found the mark with Lange picking up points off the backboard. Guarding came under the pressure as the Red and Black squad passed well. Jane Ogilvie picked up four points as she wove in from the corners on passes from Iris Bliss. Frequent

Caught in this photo is the Bloomers' forward line pressing in for two points with Lois Lange shooting while Iris Bliss and Jane Ogilvie back her up.

changes kept the whole team on their toes. Though not too fast, the brand of ball assured U.N.B.'s lead with steady court work.

Realizing the rules of the girls game which disallows shooting guards and forces them to stay between the 10 second line and their was above par which pointed to own backboard, the court work the Bloomers 23 to 10 lead at half time. Throughout the first two quarters Mt. A.'s Dot Terry, Pat Henderson and Kay Weaver played well for their points backed by looser court work than U.N.B. by guards Anna Williamson and Anne Tupper.

Coming out for the second half U.N.B. girls got off on the wrong foot and stayed there for most of the third quarter, working hard but to no avail, the forward lines wouldn't click as passing went wide and rebounds were missed. Shooting dropped off as the Mt.A. guards closed in and fed the ball up to Terry and her companions on the line. But for the guarding of Marg McNaughton, McDade, and Sheila Coughy, Mt.A.'s scoring punch would have gone further to

UNB SKIERS 2ND.

Ski God Ullr heard the Ski Club's prayers for snow for their Maritime Intercollegiate and Open Ski Meet, on February 19 and 20, and he obliged with a vengeance. In the midst of the worst snow storm of the winter the members of the Ski Club had to work their utmost to prepare the Royal Road Ski Hill for racing. Unfortunately, the Cross Country had to be cancelled because of too much snow, but on Saturday the Downhill was run, on a relatively slow and soft course. Twenty-three racers competed, with teams from Edmonston, Saint John, Fredericton, Mt. A. and U.N.B. First place was taken by Norval Balch (U.N.B.) 59.1 sec., second Bob Crooks (Edm.) 60.65, third Ernie Chaisson (Edm.) 62.75 sec. In the girls division Heather MacDougall (Mt.A.) took first with 77.05 sec, Diana Drew (U.N.B.) took second, 77.45.

On Sunday morning twenty racers skied through a Giant Slalom course, and the deep runs in the soft snow accounted for a large number of prangs. Bob Crooks (Edm.) made beautiful runs to take first with 83.6 sec. Second was Norman Albert (Edm.) 91.2 sec., third Bob Lawrence (St. J.) 93.45. In the girls' division, first was taken by Heather MacDougall (Mt. A.) with 104.6 sec., second by Sue Minnes (Mt. A.) 126.7 sec. The spectators event, jumping, was carried on in the late afternoon, the top jumper being Bob Lawrence (St. J.) with the longest jump of 56 ft. Second was Jack Adderley (U.N.B.) 52.3 ft., third was Ernie Chaisson (Edm.) with 48.5 ft.

close the gap. Play became more erratic as numerous fouls were called and many jumps were milt-ed out.

With advent of the final frame the Bloomers shook off most of their poor taste as they again started to click. Lange began to hook in from rebounds as Bliss and Hornbrook drove in for lay-ups, with renewed action by the forwards the guards settled down to better ball. Play continued to be rough as each team drove in relentlessly and U.N.B. held onto its narrow five point lead. Midway through this quarter Dot Terry, stand out forward for Mt.A. twisted an ankle as she drove in from the side and slammed into the end wall. The blow seemed to render her senseless for a few moments but she was soon on her feet and was assisted from the floor, with a round of applause from the spectators on her behalf.

This unfortunate incident did not slow Mt. A. completely but as the Bloomers had now found their range, they continued to expand their lead. As play ended the U.N.B. guards were bunching under their own basket but shooting had improved to put the 39-29 triumph on ice.

Next week-end sees the Bloomers off to Mt.A. to complete their series. If, and we can be fairly sure, they win they will become champions with the Dalhousie girls. This situation arises from the fact that both teams have an equal won and lost record and it is most difficult to arrange a final game for the round-robin league at this time.

Lineups: U.N.B. — Bliss 12, Lange 19, Hornbrook 4, Ogilvie 4, Scovill, McNaughton, Edwards, Miller, McDade, Trecarten, Caughey.

Mt.A.—Terry 19, Henderson 6, McAllister, Toole 2, Webb 2, Loomer, Williamson, Tupper, Taylor, Ryder.

DEVILS DUMP DUNSTANS 9-8

Playing their last game of the season the U.N.B. Red Devils came up with a win to lift them out of the cellar in the N.B.-P.E.I. intercollegiate loop. The game played on natural ice against St. Dunstons University in Charlottetown proved fast and at times furious as the Devils finished off the season on a high note. The final score came out 9-8 for U.N.B. as a St. D.U. build-up fell short of the mark.

St. Dunstons opened the scoring at 8:39 of the first period after a fast exchange of shots and checks. The goal by Callaghan came on a screen shot which Griffiths in the U.N.B. nets hardly saw. A minute later Ketch of the Devils was out in the clear when tripped going in to score. Dohaney even the count at the 13:10 mark with a driving 10 foot shot as the Mockler brothers, Hub and Pete assisted as they swept past the St. D.U.'s defence. Scoring again to put the Red and Black ahead Dohaney slapped one in from near the blue line, assisted by Ketch and Kennedy at 14:00 minutes. The score remained 2-1 for U.N.B. for the rest of the period as play was controlled by the Devils. As period closed Coombes went racing in on the St. D.U. nets only to be called offside. As the whistle blew he lifted a high shot goalward which hit the island netminder on the head. Two penalties were called, both for tripping, by the St. D.U. crew.

The second stanza opened on the same note as the first, as U.N.B. controlled the play. Fast hockey was displayed while both teams dug for the openings. Only one penalty was called, on Mullins for slashing while the goalies were hard pressed. When scoring did come it was in a rush as U.N.B. poured in three goals in the last two minutes. Ron Ketch picking up a pair. The first at 17:50 was the net result of a fine passing play which left Ketch uncovered at the goal mouth as he made no mistake. At 19:02 Ron again scored as he took a pass from Kennedy to slip the disk under the St. D.U. netminder. With 6 seconds left to play Benson start-

ed a full length play to set up a fine goal. After stopping a short in front of the U.N.B. net, Benson broke out, catching one defence-man back, flipped a pass to Coombes who lifted the puck over the sprawling goalie. The natural ice which was turning soft began to take its toll as play became more dogged as the Devils left the ice for a well-earned between periods breather.

The St. D.U. team came back with vengeance in the final frame as the quick opener came at the 52 second spot, Callaghan combined with Jay and Goodey from a goal mouth pile-up. Griffiths had made his step but the puck was pushed from under him into the goal for the score. At the 4:17 mark Dohaney drove in his hat trick goal of the night. Breaking out quickly, he drove in fast to pick up a pass from P. Mockler just over the St. D.U.'s blue line to go in and fake the goalie out and send the shot through his legs to P. Mockler picked up his second score. A minute and a half later A. bounding shot, it flipped in goal on a pass from Johnny Sears, over the goalie's glove for the point.

St. Dunstons came flying back with two unanswered goals at 6:10 and 12:30 to leave the island squad one goal down: Lemieux and Rossiter and MacDonald at 6:10 and Lemay and Glonnet and McInnes at 12:30. No more scoring could be done by either team. At the 18:00 minute mark St. Dunstons pulled their goalie in an effort to apply pressure for the tie. The opposite was the reaction as U.N.B. stormed up the ice with Hersey's shot missing the open net by inches. The St. D.U. goalie was quickly reinstated and the situation remained so until the final whistle a minute later.

The only scrap of the game came at the 4:30 mark of the second when Dohaney and Roy traded punches after a roughing high sticking duel. The fight was broken up only to start again. Reports are that Dohaney took the decision.

Half-Time Presentations

At half time during last Saturday's U.N.B.-Mt.A. men's basketball game, record-breaking medallions for swimming and a trophy were presented. Mr. Aldon Clark, representing the New Brunswick division of the Amateur Athletic Union of Canada, presented the Gleaner-sponsored trophy to Bill Russell of St. Stephen. This trophy goes annually to the N.B. high school athlete most deserving of such an honour. Bill received the hard some piece of silverware for his efforts in track and field both in the province and at the C.N.E. on Toronto last year. At present he is enrolled as a Freshman scientist here and is a most welcome member of the blossoming U.N.B. track and field team.

After the above presentation three more, equally deserving

prizes were bestowed upon U.N.B. athletes.

Pam McReady was awarded her medallion as a result of her winning time in the women's back stroke which she will defend Friday night at Cornwallis. Shirley Hitchen received her award denoting record time going the same distance in the free style. Miss Hitchen will also make the N.B. trip today for the Maritime Open and Intercollegiate meets.

Don Fowler, senior Forester, received a similar distinction emblematic of record time in the men's 440 yard free style. Don, though unable to swim in the MIAU meet on Thursday, will campaign in the Open on Friday and may well come back for another medal.

H-S Basketball

Continuing a highly successful operatin from last year, the N.B. Interscholastic tournament will again be held in the Lady Beaverbrook gymnasium. Eight teams will be gunning for the trophy this year with five sessions to be held. Play gets underway tomorrow, the third, with afternoon and evening sessions, likewise on Friday, and winds up with the finals on Saturday in the afternoon.

Fredericton High took the championship last year before a packed house and the same attendance is expected this year. This is the high point of the basketball season and affords college coaches a chance to look over promising athletes in action. U.N.B. students will be admitted free to all except the last two sessions, upon presentation of their S.R.C. cards, but for Friday evening and Saturday afternoon admission will be charged to all to help defray the expenses of the tournament.

Bad. Team 2nd.

Playing at Halifax last Saturday, the U.N.B. Badminton nearly made it a quadruple win weekend as they came in second behind Dalhousie. This is a regular M.I.A.U. date of one not too well appreciated though last year U.N.B. brought home the silverware. In coming second the U.N.B. squad did very well in this competition as the team is practically new, but with enough veterans to bolster the line. Past champion Al MacDonald is the team manager and has surveyed many of the twice weekly sessions at the gym.

Womens Events: Singles — 1st Diane Johnston, U.N.B.; 2nd Anne Heard, Mt. A.

Doubles—1st Jans Wilson, Carolyn Flemming, Dal.; 2nd Margot Roach, Barb Fisher.

Men's Events: Singles — 1st Jim Scriven, N.S.T.; 2nd Bud Alberstat, Dal.

Doubles—1st Fraser, Rozie, Dal.; 2nd Ian Watson, Al. Stiven, U.N.B.

RAIDERS TAKE NB-PEI CROWN

Drop Mt. A.

Playing before a nearly filled house last Saturday evening, U.N.B.'s Red Raiders squeezed past Mt. A. to take the N.B.-P.E.I. basketball championship in a very close and hard fought game. Play roughened up only in the last quarter as U.N.B. came back from two relapses to earn twelve points in the last two and one half minutes and take the game by a 63-58 score. Stress was evident all over the house as Raiders tempted the fates with their last minute drive; if further games are as close, heart specialists could do a land office business in the stands. Two weeks ago the Red and Black squad took the Mounties at home 98-60 and as a result many descriptions of this games outcome could

Here we see John Gorman, star U.N.B. forward, going up from the corner with a jump shot as brother Tom drives in under the basket.

be heard before hand. The whole team played well but Jim Milligan was outstanding on rebounds at both keys as well as sinking 15 points. When U.N.B. fell apart in the first and third quarters it was Brandy Brannen and Jack Patterson the eternal twins, who calmed the storm for the hillmen. McLellan and McEwen played very well for the visitors as they pumped in 35 and 11 points respectively.

The game opened at a slow and steady pace as both teams waited for the breaks with play going from end to end. U.N.B. ran up an early lead of 6 or 8 points only to have their team work drop. Mt. A. started to take control after about five minutes as the U.N.B. court work and shooting fell off. McEwen and Bain began to apply pressure as they sank several fine shots and worked the ball well in the back court. U.N.B. snapped out of its lethargy only spasmodically to rack up the occasional point. Foul shots for the Raiders kept the scoreboard clicking and the Mt. A. point margin within limits. The first quarter ended with Red and Black stock holders checking the odds. Coming back for the second stanza the Raiders reversed positions and the game took on a new, faster tone. T. Gorman began to get his jump shot away backed by Milligan and J. Gorman from the corners. The Red and Black were soon within hailing distance. As the gap closed U.N.B. floored a new team. "Tex" Doiron and J. Forbes handled play well as Bob Whiteman unlimbered his shooting arm. The back court play took up a faster pace as the teams moved within two or three points of each other. Mouse McLellan had come into the game midway through the first quarter and his influence began to tell as he put together several fine plays in, under and around the basket. Langley and Bain also of Mt. A. picked up the theme and soon had worked into the driver's seat. As U.N.B. threatened another let down Milligan and T. Gorman stepped into the current as half time approached. The earlier relapse had seen the Raiders refuse to shoot, throw the ball away, and generally to go limp. Coach Rogers could little use another.

Play began in the 3rd quarter as it had left off in the 2nd, fast and sure. Mt. A. however seemed after the prize more eagerly and were soon leaving the Raiders astern. As the gap widened the Raiders starting lineup could do nothing right except for foul shots. The shots from the line again kept the scoreboard from tilting as Mt. A. went up 11 points at one time.

The fourth quarter brought out what all had waited to see. Fast hard basketball as a night cap for the previously good game. U.N.B. trailed by a constant 5 to 7 points, the efforts of the garnet and gold as the score mounted. Play went from end to end as each team drove in with little to choose from in styles. McLellan continued to rack up points as the Raiders fed J. Gorman in the corner. As the clock continued to swing around Mt. A. reached 58 and play was broken up by a series of fouls. With 2½ minutes to go U.N.B. looked up from a seven point deficit and began to work. Half a minute previously McLellan had been fouled out as he took Brannen over the shoulder. With two baskets and 3 foul shots the Raiders tied proceedings in a knot as spectators went wild. T. Gorman with a jump shot foul from the key put U.N.B. ahead with 50 seconds left. Mt. A. drove back but with tremendous guarding and a ball steal by Patterson, the Raiders pulled a freeze from an out ball.

Lineups: U.N.B.—J. Gorman 10, B. Whiteman, J. Milligan 13, T. Gorman 15, Brannen 23, G. Doiron, J. Patterson, G. O'Brien, J. Forbes, J. McLeod 2.

Mt. A. — Essing, Langley 2, Bain 2, McEwen 11, Roberts 4, MacDonald 4, Naylor, McDougall, Daniels, McLellan 35. Fouls: U.N.B. 10, Mt.A. 19.

SPIRIT LIFT

Closely connected with and bolstering up, Saturday's double header at the gym, were the U.N.B. cheer-leading corps and rhythm band which kept up a steady tempo throughout the evening.

The cheerleaders perched pertly on the leading edge of the East balcony led that section of the U.N.B. fans in many familiar chants and songs which brought spirit to a high point. This is the first indoor outing for the Red and Black cheering line this season and an attractive one at that. Since there should be another home game as the Raiders play the Nova Scotia winners we may well witness another rousing round of selections.

The band or rhythm section did itself proud as the residence staffed outfit cut loose at will and with vengeance. During the girls fracas they experimented with numerous arrangements and as the second half of the double header came up, the band was in good form. The steady tattoo during time outs and smashing crescendos whenever the Raiders scored helped keep all on the edge of their seats. With the rise of a full fledged brass band, sponsored by Lord Beaverbrook for next year, many of these artists should fit in well.
