FOUR TEAMS IN ACTION

Red Raiders

The Varsity Red Raiders under Coach Don Nelson play two games at home this week-end. Tonight they meet the highly rated Moncton North Americans, a Senior "B" team, while tomorrow afternoon Ricker College visits the campus to meet the Raiders in a regular Conference fixture. Vern Ireton's junior varsity squad will play in the preliminary game to both the varsity games. This evening the J.V.'s meet St. Joseph's University and tomorrow, Ricker College Junior Varsity.

Game times this week-end are as follows: Friday—Junior Varsity game 7:15, Varsity game 8:45; Saturday—Junior Varsity game 2:30, Varsity game 4:00 pm.

Red Devils

Pete Kelly, coach of the UNB Red Devils, has announced that the Moncton Junior Beavers will meet his team in an exhibition contest Saturday night at 7:40. The Moncton squad are about to tour the Maritimes in a series of exhibition tilts. They have beaten Mount A twice and so a UNB victory might just give some indication of things to come Winter Carnival weekend when the Mounties visit our campus. By the improved competition, Coach Kelly is confident that his boys will be ready for the New Brunswick-Prince Edward Island Intercollegiate Hockey League which will open for the Devils on January 23 at St. Dunstan's University.

Beavers, Mermaids

This evening at 7:30 signifies the start of the 1960 swim meet series when the UNB Beavers and Mermaids will be at home in the Lady Beaverbrook Pool to the Saint John YMCA and YWCA.

Before the Christmas vacation these two teams met in Saint John in a highly contested meet, when the Mermaids gained victory and the Beavers lost out by a slim margin. However, we may take heart in the fact that this meet was primarily concerned with acquainting the many new members on the Mermaids' and Beavers' teams with the rules, tensions and procedures of a swim meet. This experience together with the rigorous training will undoubtedly ensure a more cleverly directed opposition by the UNB athletes.

Performing tonight for the Beavers will be free-stylers Paul Brodie, Charles Daughney, Steve Jones and Charles Sullivan; breast-stroker Herb Mitton; back-stroker Jim Hayden; and diver Jerry Shaw will also be ready. Out of action this evening due to a muscular disorder will be team captain Wayne Barry, who is noted as an outstanding free styler. Supporting the Mermaids' contingent will be Janet Campbell, Ann Selig, Sandy Kilburn, Ursula Rodewicz, Georgina Elton, Carolyn Stewart, and Heather Worsley.

Major meets in which the UNB water teams will participate are scheduled to occur in such widely separated centers as Montreal and Halifax.
