AWARDS FOR EXCELLENCE IN TEACHING

THE AWARD is dedicated to the late Dr. Allan P. Stuart and is to honour persons who are representative of outstanding teaching achievement at the University of New Brunswick.

ELIGIBILITY: A candidate must teach at least one 3 credit-hour undergraduate course during each term of the academic year at the University. It is not expected that the nominees should excel in all criteria listed on the nomination form, but they should be qualified in most categories. Individuals are not eligible if they have been previous recipients of the Award.

NOMINATION: Candidates for the Award are proposed and recommended to the Senate Committee on Quality of Teaching by students and faculty of the University.

The basic information required is contained on the Nomination Forms, which are available from the University Secretary, Fredericton: the Dean of Faculty, Saint John; the Student Council, Saint John or Fredericton; and Faculty offices. No one may nominate or support more than one candidate.

Send nominations to the University Secretary, Room 110, Old Arts Building, UNB Fredericton, or to the Dean of Faculty, UNB Saint John.
