

UNB SWIMMING WRESTLING TOPS IN CONFERENCE

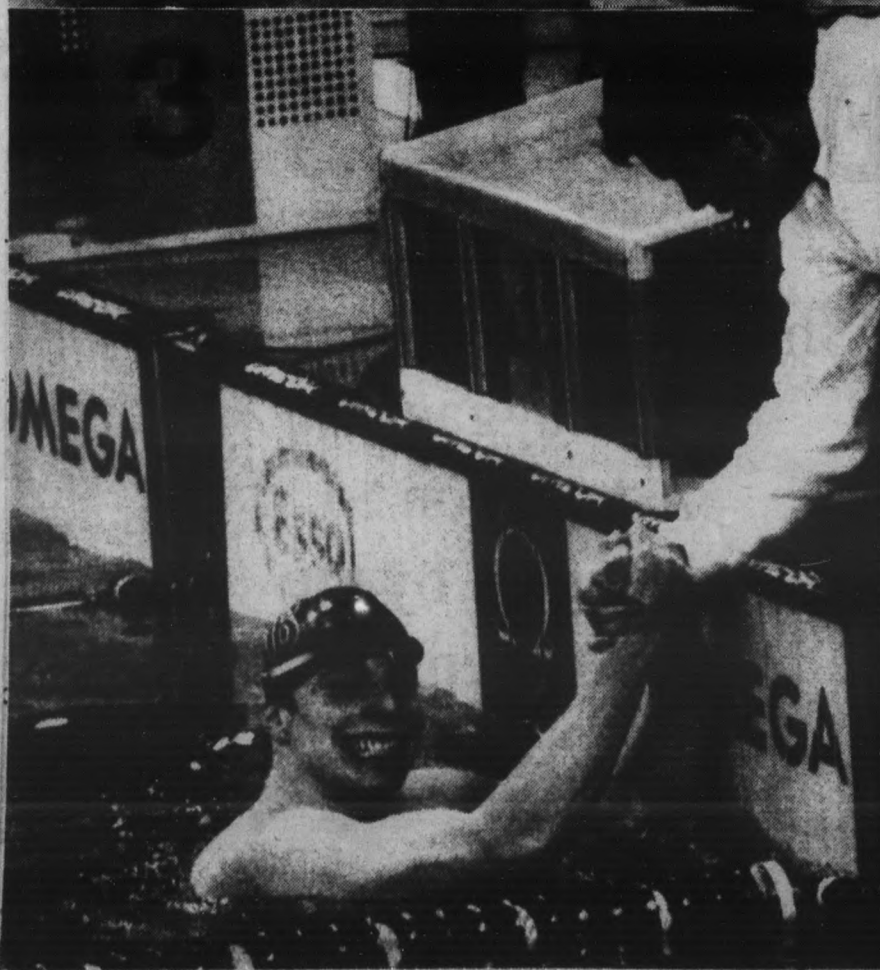

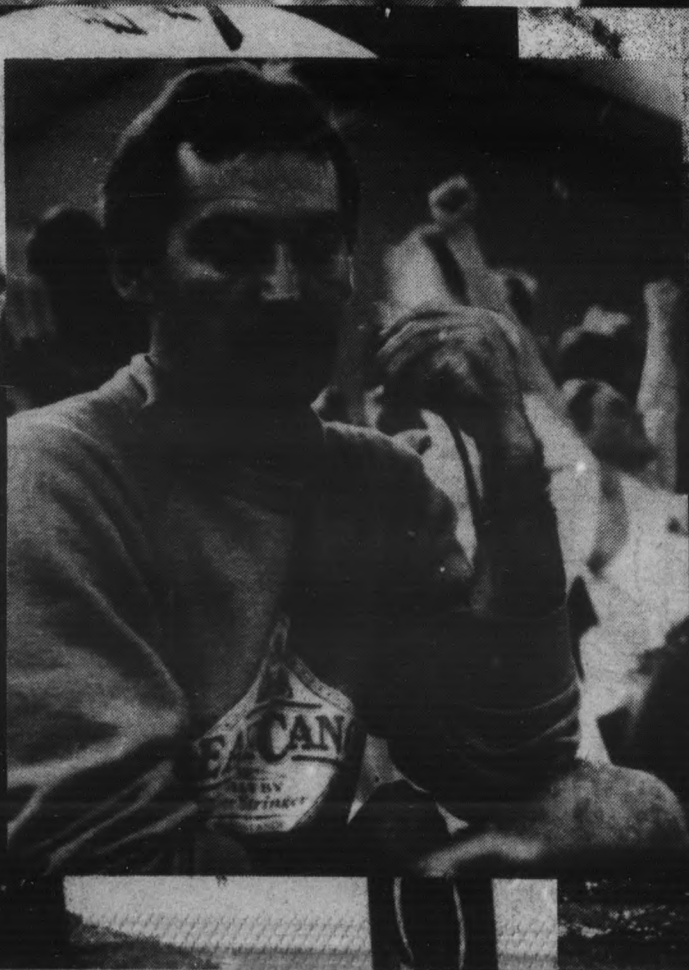

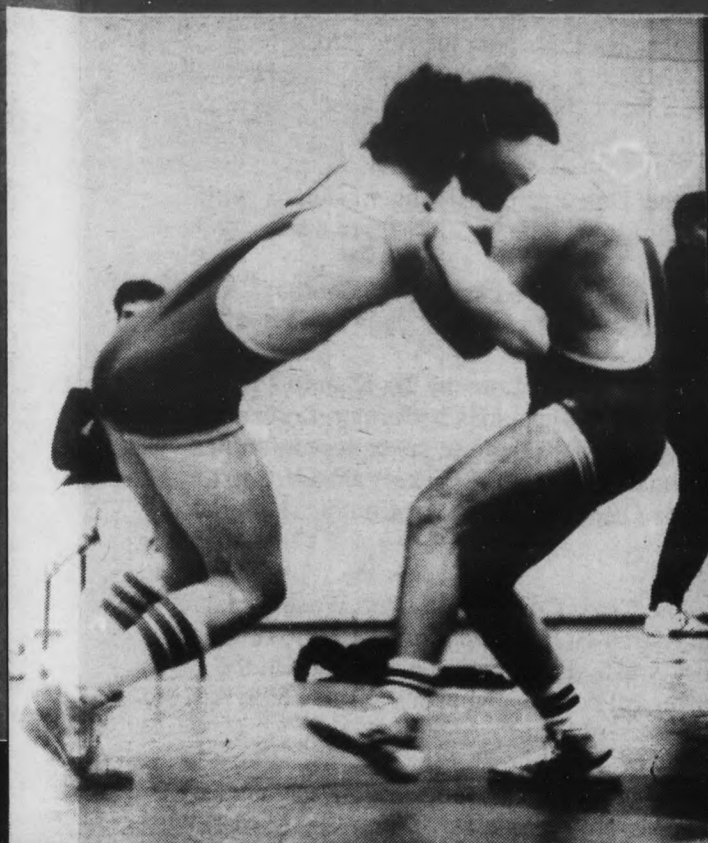

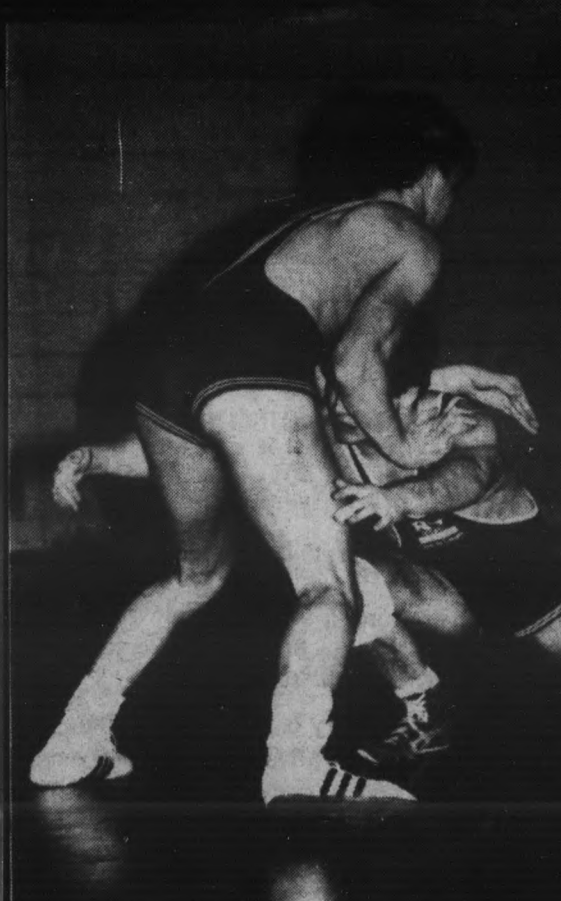

As the meet progressed, it quickly became clear that both the UNB Beavers men's and women's teams stood an excellent chance of winning the AUAA titles.

Talking about how they felt about the meet...

Peggy Ackert:
 "There's a lot more team spirit, which got me psyched up to swim fast."

Chrissy Hashimoto:
 "It was ...great! Awesome, totally awesome. Varsity swimming is very different from club swimming, which is very individual. Here we've got to go for everyone else too."
