U of A girls head list of new records

As last year was the first year of the CWIAU Swimming and Diving Championships, all the winning times were records. However, this year the swimmers had something to work on.

Of the 14 swimming events, new marks were set in 10. In one of these, Ann Walton set a new record in the 100 yard backstroke only to have it broken again by Sandra Smith

in the medley relay. Sandra set three other records while sister Sue established three new marks.

The other marks were set by Glynis Thomas, Ann Walton, and the U of A freestyle relay team. Debbie Prince of UNB bettered the old record in the 100 yard butterfly but it still was not enough for the victory.
