I feel that the sixty-five hundred dollars could be put to better use on campus, unless NUS can prove its worth.

No, I think we can take care of ourselves.

At the moment, I don't think it's worth \$6500 to join. If we did, I'd like to see the students much more informed than they are.

I haven't been convinced yet. CHSR and The Bruns must inform students about the issue and let them decide on Oct. 22.

Yes, it would give us a better opportunity to participate with the rest of Canada. It would give us a chance to get to know other universities and their student organizations, using this info to improve our own SRC.

Yes, I think it's a good idea and in the end will benefit us all. It will take awhile.

Yes, why not? It can't do any harm.

There should be more information about NUS readily available.

Yes, I think they should join, to grant insight into what's happening on the college scene across Canada.

How can you decide, if not enough has been said about it?
