What do you think of UNB Security towing away students' cars?

Bill Howard

I think they should make it plain where the parking spaces are.

MA Debbie Boyle

It would be all right if they gave you ample warnings before they towed your car away.

Fred Wadden

I don't think that's right. It's not fair to students because there's not enough student parking on campus.

Arts 2 Mike Bannister

They should give a warning first, it's only common sense.

Arts 3 Paul Murray

I think it's a poor idea unless they've parked in the middle of the road. If they're on the side of the road, towing them away is foolish.

Theresa Bone

I don't think they should tow them away. Instead they should develop better parking facilities.

Arts 3 Don Ouellette

If they're parking in a no parking zone, sure.

Arts 4 Mike Astorino

I don't object because I don't have a car but I do disagree with the heavy fines.

BE 1 Richard Coburn

I don't think it's a very good policy. They should warn them first.

STU 2 Dave Miller

If they tow my car away I will see a lawyer.
