Derek Demers

A step towards a better compromise than what they have now.

PE 4 Anne Palmer

It's about time they were able to meet in one of the countries and talk about the situation.

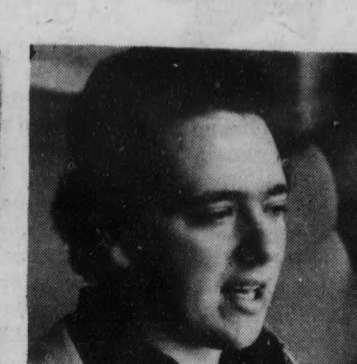

BA 3 Heather Fitzgerald

I hope he spent lots of time at the Wailing Wall!

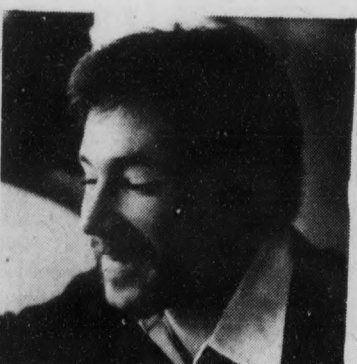

BA 4 Boyd Lewis

I think it was great; it solved the problems. I was surprised too.

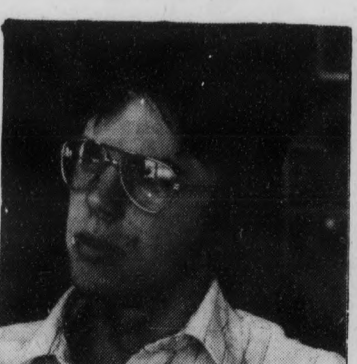

CS 1 David Goguen

I think it's great. I think it will lead to a peace between the peoples. 'Bout time they got their act together.

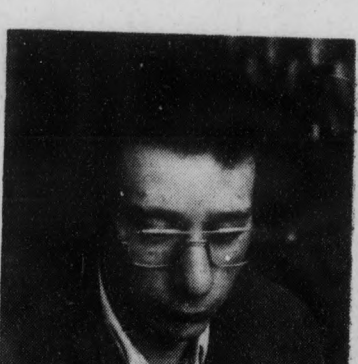

Tom Erdle

I would say that it's a major step towards solving the Middle East problem, providing Palestinian hostility towards Sadat does not prevent further negotiations.

For 4 Derek Freeze

Great. At least somebody in the world has some guts, and stood up for what he stands for.

BE 1 Ron Smith

I think it's a positive step towards peace.

CS 1 Marc Pepin

Touchy. It could touch off World War 3, I guess, if he gets shot. Day of the Dolphin 2.

BE 2 Ken Hardie Asst. SUB Director

It was quite a spectacle. It was a surprise they actually got it together. I'm sure Sadat's going to get shot, though.
