What does the Student Union Building mean to you?

Bill Anderson

A place where people can gather and share ideas, but it should be managed better.

Rick Allaby

Well, I spend just about every afternoon up there - it's a great place to play bridge.

Karen Buchanan

I think it's great. A place to go, relax before your next class, or for lunch (so far it's good).

Ann Ross

I don't think it caters enough to the general student population - it needs more student oriented activities everyone can enjoy. More cultural events. (You mean she doesn't go to Pubs? Ed.)

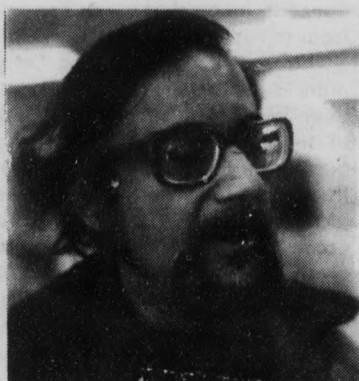

Mary Best

I hope they don't tear it down - it's an important place for students to hang out. Say HI to my brother. (Hi Tom! - Ed.)

Rob Watt

The Social Club! I don't use the SUB much; the Club's the main thing.

Sean Datta

Personally, when space is available, I prefer it to the Faculty Club. It's open, unrestricted, and friendly.

Arn Conklin

(His first day on campus - Ed.) A place to have a good time - at least it will be when I get there!

Gwyn Martin

A place to go, to talk to friends, like a refuge. I spend quite a bit of time there. I'd like to see it kept up - not fall apart.

Tierney Ness

A hotbed of student activity! Hi Pete!
