

AIESEC forming UNB branch

The International Association for Students of Economics and Commerce (AIESEC) is forming a branch of the association here at UNB. AIESEC is an independent, non profit, non-political student organization that presently has local committees in 29 Canadian Universities and over 400 universities world-wide.

Most of the AIESEC programs that are carried on deal with bringing the practical interests together with the academic aspects of business. This done through seminars, forum, business luncheons and career days. Most of these functions

are carried on at the local committee level in conjunction with the national advisory board.

One of the major programs is the International Job Exchange. This is a program in which AIESEC students raise jobs for foreign students. Participation in the program allows the student to work in a foreign country.

AIESEC Canada has major corporate support. Included in this list of supporters are Paul Desmarais chairman of the Power Corporation of Canada; David Culver, President of Alcan Aluminum; Michel Four-

nier, UP of Air Canada; J.C. Thackray President of Bell Canada as well as many others. The companies involved range from major Canadian oil Companies Domei to accounting firms Thorne Riddell; all the major banks, retail stores Simpson-Sears; to utilities The Power Corp, mt & t.

The local AIESEC Committee is just starting to organize now. They are presently organizing a trip to Halifax for the AIESEC Regional Conference, next weekend. As well they are planning guest speakers for next term as well

as social events Pubs, wine & cheeses.

This society is not restricted just to Business or Economic students. Any student who has an interest in Business is in-

vited to attend any meeting. If anyone wants anymore information they should contact the local organizing committee through their mail box at the Business faculties' office 3rd floor Tilley Box 34.

Classifieds (Continued from p. 2)

FOUND

WE'RE NOT EVEN TALKING ABOUT THE FUTURE...

We're talking about *right now*. If you've chosen a course of studies which will enable you to become a member of an association, our student loan plan may be just for you.

Except for interest, you don't have to pay back a cent until your studies are completed. And if you do borrow money, you'll be doing so at a very special rate. It's definitely worth thinking about. Make a point of dropping by the National Bank branch nearest you. You'll not only find loan specialists, but student advisors who can give you very sound financial advice. Whatever your plans, let's get working on them.

NATIONAL BANK

A better way to bank

Drop by our branch:
620, rue Queen
Mr. Allan McCloud, assistant-manager
