ORIENTATION WEEK, 1981

THE BRUNSWICKAN- 7

NOTICE

The first regular Brunswickan staff meeting will take place Monday, September 14 (the first day of classes) at 12:30 p.m. in room 35 of the Student Union Building. **EVERYONE** is welcome.

HOW TO FIND US

Room 35 is on the ground floor level of the office wing, that part of the SUB which faces the side of the Harriet Irving Library. The easiest way to get there is to enter through the door over the "tunnel" which leads into the office wing. Once you're inside, go through the fire door directly in front of you and it's the first office on the left.

If you enter through the door of the SUB by the traffic circle, just go left, then right down the corridor, then the first left after that and you're in the office wing. Go down the short steps, proceed to the end of the hall, down those steps to the ground floor, then through the fire door and you're the first office on the left.

If you enter the SUB by the door facing the center of the campus, simply proceed through the next set of metal-and-glass doors, turn the corner and pass the washrooms, through the doors and you're the last office on the right.

IF IN DOUBT, ASK SOMEONE. IT'S ROOM 35, OFFICE WING, STUDENT UNION BUILDING.

Just a note from the Sports department

By BEVERLEY BENNETT

Sports Editor

On behalf of the Brunswickan sports department allow me to welcome you to the UNB sports scene. We are fortunate at this university to be able to watch and/or participate in many diversified and high quality interscholastic and intramural events. It is

these events that we try to put on film and paper.

This department of the Brunswickan allows the avid sportswatcher to get closer to his or her favorite team. This

can be done in many ways: by writing articles, taking photographs, compiling stats, making up a quiz, laying out pages, or even starting your

own column. All it takes is a couple of hours a week. The Brunswickan has the equipment and experience to get

you started, you provide the interest.

Help capture the excitement of UNB's sports world. Add a new dimension to your

viewing and join the Brunswickan team.

How to make use of Brunswickan services

One of the Brunswickan's most important functions, as we see it, is to provide an opportunity for students to publicly raise issues that they may not otherwise have a chance to discuss on a large scale.

Letters to the editor are welcomed and are printed in the soundoff section. All letters must be signed, but we will withhold names upon request. Anyone may submit letters to this section, but the Brunswickan reserves the right to edit excessively long letters or omit those which it considers slanderous or libelous. The deadline is 5 p.m. Wednesday.

Longer submissions of personal comment are sometimes printed in the opinion section.

The Brunswickan offers a free classified ads service. The deadline for receiving these ads is 1:30 p.m. Tuesday. Classifieds may be edited for length, taste, or commercial content and must be submitted again if they are to be run in subsequent weeks.

The upcomin' section is a roundup of campus happenings for the week. Again the

deadline here is 1:30 p.m. Tuesday.

Copy for classified ads and upcomin' should be typed or printed clearly, and dropped off in the appropriate baskets by the main door to the Brunswickan office, room 35, Student Union Building.

The Brunswickan welcomes submissions of all types. Clubs and organizations are encouraged to submit news of what's happening with their group. Potential cartoonists and columnists are urged to come and see us. And, although not a regular feature, the Brunswickan often prints longer literary pieces as well as its regular poetry page.

Above all, remember this: just because it hasn't been done doesn't mean it can't be done. Got an idea? Drop in and discuss it with us. You've got nothing to lose, and we both stand to gain a lot.
