EXCELLENCE IN TEACHING AWARDS

UNB students, faculty and alumni from both the Fredericton and Saint John campuses are urged to make nominations for the annual excellence in teaching awards which will be presented at Graduation exercises in May.

The awards are named the Dr. Allan P. Stuart Memorial Awards in honour of the late chemistry professor who was a 1973 recipient of the award.

Nominations must bear the names and addresses of at least two nominators and include some supporting statement. Deadline for nominations is THURSDAY, 31 MARCH 1983.

Teachers of first term courses as well as second term or full year courses are eligible. Nominations should be based on the following criteria:

- comprehensive knowledge of subject;
- preparation for class;
- enthusiasm for subject and ability to arouse interest;
- encouraging student participation;
- setting high standards and motivating students to attain them;
- communicating effectively at appropriate levels;
- evaluating students on their understanding of the subject rather than on ability to memorize;
- and being accessible to students outside of class.

Nominations should be sent c/o the University Secretary, Room 110, Old Arts Building, UNB Fredericton.

FACULTY TRANSFERS

All students considering transferring Faculties for September 1983, should apply to do so by completing a "Transfer Request" form available at the Registrar's Office by 31, March 1983.

Submitting the requests by this date is particularly important for transfers to programmes with limited enrolment, i.e. Engineering, Computer Science, Forest Engineering and Nursing.
