MALAYSIAN FOCUS

It was two years back since the M.S.S. initiated Malaysian Focus; and after what seemed to be a promising start, had its wheels grounded to a halt from a rather apathetic lack of enthusiasm. Now, with the help of a group of "high-spirited", over-enthusiastic, pen-brandishing members, we hope to give this once poorly received column a new glimmer of hope, and a renewed lease on life! Those of you who wish to cross pens with us, or simply wish to give vent to your particular flavour of sardonic humour are gladly invited to do so.

To state the purposes of this column in a more succinct manner; it is firstly, by precedence, a means of publicizing M.S.S. activities and local huilabaloo; and to be used secondarily as a commentary by the as yet incognito "editorial team" (otherwise known as the "inkblots") on all matters ranging from high heavens to low Styx. We encourage, cajole, implore and entreat all members to send in their views, grouses, frustrations, or hang-ups to your local PRO (or directly to the Brunswickan - and be rest assured that the utmost effort will be made to publish all responses.

For starters this week, we have the following announcements from your Exco:

a) Minutes of the Annual General Meeting and the Joint OCSA-MSS meeting held on Feb. 26, '83 were sent out late last week. Members who have not received their copies are to inform the Exco and provision for extra copies will be made.

b) There will be a Joint OCSA-MSS Farewell Banquet on April 2, '83, at the SUB cafeteria (reception at 7:00 p.m.) Tickets are placed at \$6.00 for members and \$7.00 for non members.

They may be obtained from any of the Committee members - nt. also that the no. of tickets are limited.

c) Those of you interested in lending a hand in our "forthcoming" MSS Newsletter (which should be out before the turn of the century) can contact Lawrence at 454-3013.

Explosion in SUB cafeteria

By SHARKEY
Brunswickan Staff

Last Friday, a small explosion was detonated in the SUB cafeteria by an unwary UNB student.

Well-known soccer superstar Tomo was being admired by a flock of female fans when the incident occurred. Pulling a chair away from a table, he unknowingly detonated the device which set off a series of small explosions.

"I was worried that my hair might have been singed" stated Tomo. Luckily no one was injured and little damage was done to the table and chair in question.

The Fredericton City Police General consensus seems were called in by Campus Security and Constable Carr to point to it as a college prank, but some wonder noted that whoever made the whether or not it is simply a homemade device had been new way of getting Tomo's "effective" attention.

JACK M'CLOSKY'S CANADIAN WILDLIFE

THERE IS MORE THAN 800,000 KNOWN KINDS OF INSECTS AND BETWEEN 1 MILLION AND 10 MILLION UNKNOWN, AND MY SISTER IS SCARED OF EVERY ONE OF 'EM! I'M GONNA CONCENTRATE ON JUST ONE - THE BUMBLEBEE.

THE BUMBLEBEE AND THE HONEYBEE AIN'T THE SAME THING; THE BUMBLEBEE IS CLUMSIER AND THAT'S WHERE THE "BUMBLE" COMES FROM.

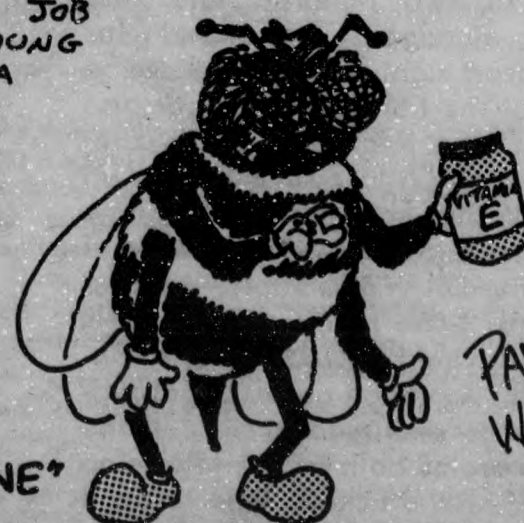

THE QUEEN BEE IS THE ONLY ONE THAT SURVIVES THE WINTER, 'CAUSE SHE'S THE ONLY BEE THAT CAN AFFORD HEATIN' OIL AND A FUR COAT. THE WORKER BEES FLY AROUND FROM FLOWER TO FLOWER COLLECTIN' POLLEN AND NECTAR AND STUFF LIKE THAT THERE THE HOURS ARE LONG AND THE PAY IS TERRIBLE,

BUT SOMEBODY'S GOTTA DO IT!
THE DRONES DON'T DO NO

WORK AT ALL! THEIR ONLY JOB IS TO MATE WITH THE YOUNG QUEENS! IF THERE'S SUCH A THING AS REINCARNATION, I'D LIKE TO COME BACK AS A DRONE! YOU ONLY LIVE ONE SUMMER, BUT, BOY, WHAT A SUMMER!!

FATHER WARNED
ME THERE'D BE
DAYS LIKE THIS!

"THE DRONE"
