GUIDE

SONY

Now Sony Trinitron has a new Mirror Black screen to give you blacker blacks and whiter whites. Overall contrast is actually 50% higher than conventional clear screens under normal room lighting conditions. But the best news is that we've reduced the price on this 20" remote control Trinitron with Mirror Black screen. Have a look today. We're sure you'll like what you see. (KV1972R)

\$699.
