WHAT IS THE PROBLEM
WITH WOMEN?

Marinos Kavouras, Se, Ph.D.

They don't give you the opportunity to respect them in the morning.

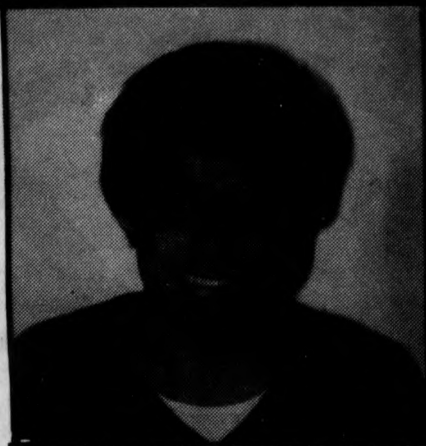

David MacDonald, BA IV

A lot of them don't like men.

Peter Thomas, BA II

Nothing, I love all women.

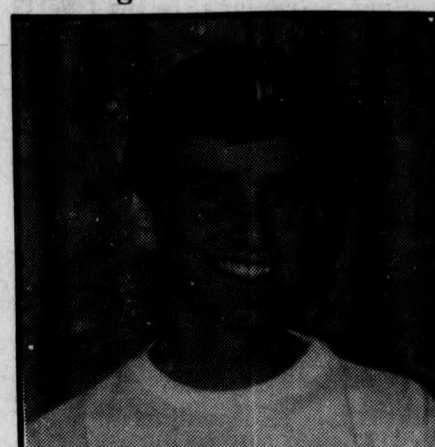

Raouf Khodabocus, Science III

They are like the seasons - some are hot, some are cold.

Max Pragnell, BA III

Nothing! Everyone should have one.

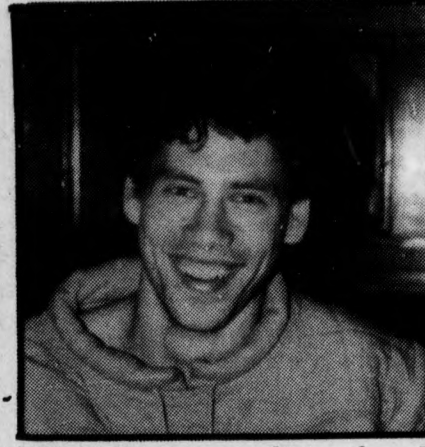

Tim Barker, BSc For I

They originate from an alien invasion two billion years ago.

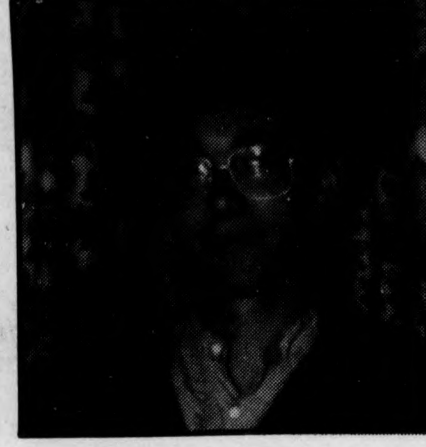

Andrew Casey, BBA I

Holy ----, I could write a book.

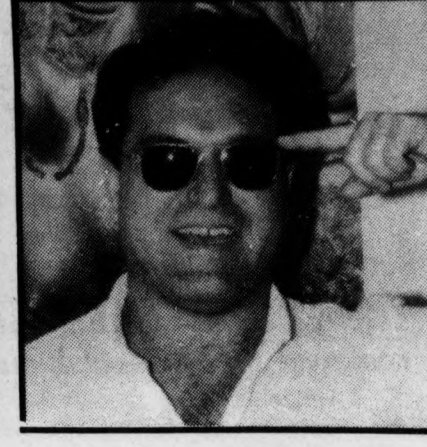

They always complain when I leave the toilet seat up.

John Streiker, M.Eng SE I

Bernard Roy EE II

They all have boyfriends

Adonis Armenakis, Stats, Ph.D.

They need to be recharged
