ALBERT HAS BEEN LOSING SLEEP ...

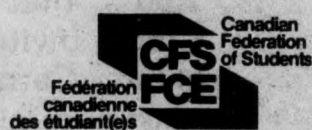

He can't find anywhere to study, he can't find the books he needs, and to top it off, his lab equipment is out of date.

And no wonder — after all, this campus is underfunded. The Federal and Provincial governments are not investing enough in education, and . . . to make matters worse the provinces don't spend what they get.

WHO LOSES ?

YOU !

Get involved in your National
Week of Action
January 18th-22nd

S.U. NOTICES

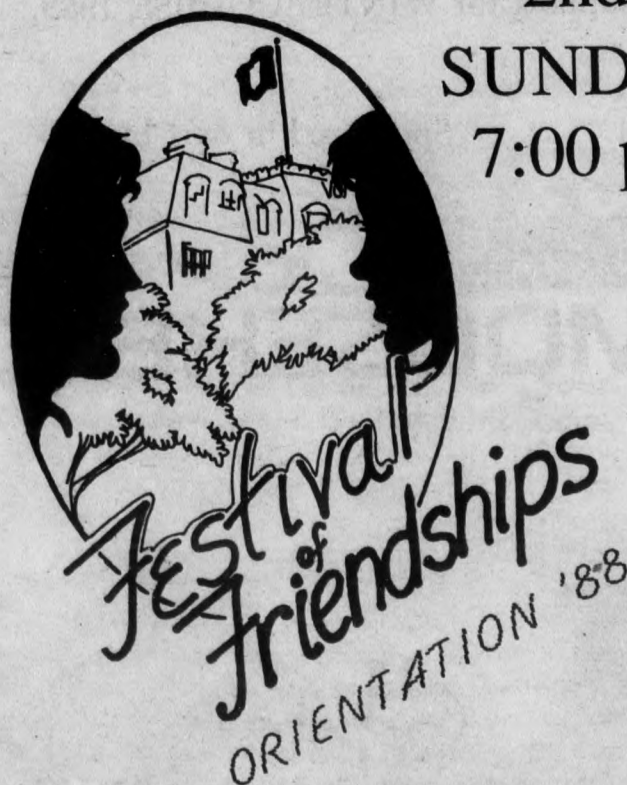

All S.U. sponsored clubs and organizations must have budgets submitted to the S.U.

office (room 126 in the SUB) by Feb. 12th.
