

Message from the Dean of Students

On behalf of all the people who provide the various UNB Student Services, I would like to extend a warm welcome to all students attending UNB. To those of you who are here for the first time, I extend a special welcome. Like you, I am eagerly looking forward to the challenges the year will present. I hope that you will have a successful year academically, meet new friends and find pleasure by becoming involved in some of the many extracurricular activities available for you at UNB.

To help you have a successful year, the university provides a number of special student services. I encourage you to take advantage of these UNB student services. You will find our student services personnel pleasant, approachable and knowledgeable in dealing with your concerns.

Often a student is not sure where to begin to address a problem or concern. This is where the Dean of Students office can help. Start with my office with your questions and we will help you make contact with the appropriate people in the university community who can help you.

Remember, one of the signs of an educated and independent person is that they know where to get information and are willing to accept assistance in achieving their personal goals. So, if you have an idea, a question, a concern - call us at 453-4527 or come to my office in Room 8 of the Alumni Memorial building. It is important to seek an early solution before small questions become big problems.

Best wishes in the year ahead,

Donald Eagle
Dean of Students
