

Student Activity Night

Where: The SUB ballroom (top floor)

When: September 13 & 14
12 noon - 9pm

Student Activity Night, STAN for short, is actually a two-day event that takes place during the first week of classes. It allows university and Fredericton area clubs and organizations the opportunity to display what they have to offer. The participating clubs include faculty societies, sports clubs, the campus newspaper (The Brunswickan) and radio station (CHSR), Orientation, the Fredericton Volunteer Bureau, and many more.

STAN gives both freshmen and upperclassmen a chance to sign up for clubs that interest them. Its main objective is to ensure that all students realize what UNB has to offer in respect to extra-curricular activities. It also helps the clubs on campus attain a larger membership.

This year's Student Activity Night proves to be even bigger and better than last year's, with a growing number of organizations becoming involved. Whether you are "into" drama, soccer or student politics, STAN is your key to making the year an unforgettable one!

Mexican Pinata Party

Where: McConnell Hall

When: September 9th
9am - 1pm

There is no need to save all your pesos to get into this amazing fiesta, just flash your frosh bracelets for the shrotest route to Mexico! This event promises to be the "taco" the town.

Throughout the evening we will present pinatas. Pinatas are decorated containers made of paper mache and filled with all kinds of surprise items. You will have a turn at trying to break the pinatas that are hanging from the roof. Sounds easy? Wrong! It's

quite difficult when you're blindfolded! When a pinata does break - be ready, it's finders -keepers!

Proper attire for this fiesta begins with a Mexican sombrero for the hat dances. Tassles dangling from your beannies are even better! For the rest of your costume just think Mexico. Dress in a poncho, a full Spanish skirt, a bullfighter's suit, or your summer shorts! Just make sure that whatever you wear is bright and colourful.

Believe me senors and senoritas, this is one party you don't want to seista through!!

Frosh Ball

Where: SUB ballroom

When: September 17
9pm - 1am

This event tops off your entire Orientation experience. It gives you, the Freshman class of 1988, a chance to be together in a semi-formal style. The fun and excitement of Orientation 1988 will reach it's peak at this "posh" affair!

If you've never been to a "ball" before, here's what to expect: a live band playing great music, fabulous decorations, refreshments and dancing, dancing, dancing!! The music for this event will be supplied by EXCEL, this band has played UNB events before and has always left us wanting more.

The Frosh King and Queen will be crowned during this special evening and they will receive many fantastic prizes. In addition, the Frosh group that has the highest attendance percentage at all the Orientation events will be announced and rewarded handsomely for it's efforts!

You will also get the chance to see your group leaders in something other than their red committee shirts (*if you've ever worn the same shirt for a week you'll know why*). They will join in the festivities and dress to the hilt!

Don't miss Orientation '88's last bash! It will be an evening to remember, GUARANTEED!!

Here's a sampler of what to expect at Student Activity Night:
