Group Par

by Pat Fitz

"Group Insurance for Students of the University of New Brunswick 20353." A pamphlet published by the Mutual Group is the student's medical and dental insurance. It can save the student a fair share.

Available at the office, the policy covers the insurance which all students and their spouses are covered. The policy for which students pay but one for which they already paid, included in the

The policy covers a number of diseases including heart disease (\$3,000); dismemberment; maximum compensation; comprehensive medical coverage; emergency hospitalization; New Brunswick transfusions;
