Something Every Student Should Take the Time to Consider

UNIVERSITY SOCIAL CLUB

When Your Student Union
was Fighting Against....

1. The GST on your text books and your student fees
2. The 3% tax on your Canada Student Loan
3. Increases in your tuition following recommendations from the Maritime Provinces Higher Education Commission.
4. Taxi fare increases on all students in The City of Fredericton

Most Students Sat in the Bleachers and Just Watched

Now That Your Student
Union is Fighting For

1. A restructuring of the Social Club Board of Directors so that the original board structure is restored.
2. A strong student voice so that the Social Club serves the best interests of your entire university community.
3. A Board of Directors which will be elected by and represent the majority of students in your university community.
