50

Disease

by Gail An

Dr. Bob Ting, Director of Services, says that approximately 50 cases of a sexually transmitted disease are reported each year to the health centre. The problem, which is usually not itself proving a nuisance.

"Our ability to detect the disease has increased in the last few years, and I think a big reason why is that we are finding a lot more and more cases. It has been about the last three years.

Press Release

The Atlantic Centre at St. John's has organized a series of events to mark the first anniversary of the massacre of women at L'Anse-au-Loup in Montserrat.

The event will be held at 7 pm on Thursday in the conference room of the Cross House.

First Faculty

To take

by Aime

The First Annual Food Drive will be held on November 15 on campus.

The Law School Theta Phi chapter is inviting all faculty into the Freestudy Room.

The event is being organized by Delta Gamma. The Student Union is also providing a head table for the faculty who are donating cans and drinks.
