

ATTENTION STUDENTS: APPLY NOW FOR PROVINCIALY-FUNDED SUMMER JOBS

If you are a university, community college or Grade 12 student you should register now with the Department of Advanced Education and Labour for provincially-funded summer jobs.

In order to register you must be attending a post-secondary institution next fall.

Visit any Department of Advanced Education and Labour office, Access Centre, Canada Employment Centre or your student council and ask for an *Application for Summer Employment Form*.

The earlier you apply the better your chances!

In addition, the STUDENT VENTURE CAPITAL PROGRAM offers interest-free loans of up to \$3,000 to students who wish to start their own summer business.

Ask for a STUDENT VENTURE CAPITAL APPLICATION at the above locations or at your Regional Economic Development Commission.
