Solution next week...

Lumberjack from Muniac

I watched the colorful TV ad
And it made me mad as Heck
I'm a lumberjack from Muniac
They'd better show some more respect.

No cowboy boots and lariats
Or bucking broncs and spurs for me
They may be OK on the Western plain
But they're not for my N.B.

Your cowboy hat we don't need that
We'd lose it in the branches
Its good work boots with iron-toes
For everything but dances.

Leather chaps may be just right
For a bow-legged cowboy stance
But a lumberjack is at his best
In his balsamed safety pants.

We don't rope calves all day long
But run the saw and ride the skidder
To fill the tickets that we got
Furnished by the highest bidder.

Cowgirls in those long fringed skirts
Or filling out their tight blue jeans
We rather like our country gals
They understand bout trucks and things.

If you want to wet the whistle
Of a New Brunswicker tried and true
As the tree said to the small brown bird
My friend 'this buds' for you.
