## UNIVERSITY OF NEW BRUNSWICK

### AWARDS FOR EXCELLENCE IN TEACHING

**ATTENTION**: STUDENTS AND FACULTY

**THE AWARD** is dedicated to the late Dr. Allan P. Stuart and is to honour persons who are representative of outstanding teaching achievement at the University of New Brunswick.

**ELIGIBILITY**: A candidate must teach at least one 3-credit hour undergraduate course, and at least one 3-credit hour course each term, during the academic year in which the nomination is made. It is not expected that the nominees should excel in all criteria listed on the nomination form, but they should be qualified in most categories. Individuals are not eligible if they have been previous recipients of the Award.

**NOMINATION**: Candidates for the Award are proposed and recommended to the Senate Committee on Quality of Teaching by students and faculty of the University.

The basic information required is contained on the Nomination Forms, which are available from the University Secretary, Fredericton; the Vice-President (Saint John); the Student Council, Saint John or Fredericton; and Faculty offices. No one may nominate or support more than one candidate. The form must be signed by two nominators. The Committee places little value on long lists of signatures supporting a nomination. However, signed letters or paragraphs of support from a variety of sources (current and former students, faculty members, Department Chairs or Deans) can enhance a nomination.

Send nominations to the University Secretary, Room 110, Old Arts Building, UNB Fredericton, or to the Vice-President (Saint John), Room 111, Oland Hall, UNB Saint John.
