## V-Reds looking for a strong season on the field

The V-Reds are looking to get stronger. The UNB Varsity Reds men's soccer team was able to collect two points after the weekend's ties as they hosted the Dalhousie Tigers and the Acadia Axemen.

UNB tied the Tigers 2-2 in Saturday's action after being down 2-0 at the end of the first half. The Reds notched both goals in the final minutes of the second half. Yves Losier scored the first UNB goal and then Reds' Johnathan Crossland was able to tie the game up.

The Reds came back on Sunday to host the Axemen and again it was a tie with the game ending at 1-1. The teams battled to a scoreless draw at the end of the first half. UNB did have a couple of chances in the first half but were unable to get past the Acadia keeper. The Axemen were

the first to get on the board, and then Losier scored with about 15 minutes left in the game.

"I thought that we played very well at times but we sometimes we let down (our play) and let them dictate what the play (in the game) would be," said Losier, who was named Player of the Game on Sunday for his efforts.

Losier felt that UNB had the stronger team of the teams on the weekend.

"Although we came out with ties we're a stronger team and we'll be able to play strongly against the other teams in our division as well as the other division," said Losier.

As well Losier felt that there were a few positives that came out of the game despite the score.

"As soon as we picked it up you could see that we were dictating how the play was going to happen and you could see

that we were really dominating in passing the ball around and that is what we need to do for 90 minutes against every single team," said Losier.

Losier feels that this year's team has gelled really well and is a good team which will help the team as the season progresses.

"It's a mature team which I believe will be to our benefit as you could see early on in training camp that we really knew what we were doing," said Losier.

"We really felt as though everybody was committed from the beginning and giving all that they had and not just taking it easy during practice and then just coming out to the games," he continued.

The V-Reds will be hosting the Memorial Seahawks today at 5 p.m. at Chapman Field. UNB will be travelling to UCCB to take on the Capers on Saturday and Sunday.

Expect a young but competitive team

## Rough start in season opener won't slow the Reds

It was a rough start for the Reds season.

The UNB Varsity Reds women's soccer team had to settle for a tie and a loss after the weekend action against Dalhousie and Acadia in their season opener.

The V-Reds lost 2-1 to the national champion Dalhousie Tigers on Saturday. Dal was leading 1-0 at the half. Laura Detenback scored the lone UNB goal.

UNB returned on Sunday to face the Acadia Axettes in a scoreless draw. In the first half, the Reds were denied twice by the Acadia keeper, including a penalty shot. The V-Reds didn't fair much better in the second half as Acadia continuously denied UNB's attempts to put the ball away.

"I'm very unhappy with the results as I thought that we had most of the play and had a lot more opportunities than they did," said UNB head coach Demetres Tryphonopoulos. "Overall I thought that we played very well today and we should have won."

Second year UNB player Donna Chernoff was named Player of the Game for her efforts on Sunday.

"She's done everything that she's been asked to do," said Tryphonopoulos, who was impressed with her play.

As for UNB's weekend performance, Tryphonopoulos stated he wasn't pleased.

"We lost 2-1 to the national champion and I was disappointed with that result as well because I believe that this year's team is capable of getting some good results against any opposition," said

Tryphonopoulos noting, that Dal has won the championship the past two years.

"So losing 2-1 to them is not shameful at all. It was a good start for our season," stated Tryphonopoulos.
