Congratulations Maria! To let you in on the deep, dark, and complex world of being a man - we always know it's there. That's why we are the way we are. Oops... I've probably said too much. Come pick up your pizza, as a much wiser woman. (Brunswickan office, SUB room 35, ask for Bill)

Chris Wilson-Smith, BA III
"How would I know"

Matt MacEwan, BA IV & John Wilson, BA III
