

Hey.

I'm a social drinker, not an alcoholic.
I like to drink beer, not hard lemonade.
I have a headache, not a hangover.
I have to go pee, but my legs won't work.
I can speak, but nobody understands me.
I'm not sure what my name is anymore.

I'M DRUNK AND I THINK I AM CANADIAN
I'M DRUNK AND

I'M DRUNK AND I THINK I

I'M DRUNK AND I THINK I AM CANADIAN

I'M DRUNK AND I THINK I AM CANADIAN
