Reds knocked out of running for CIS championships

The UNB women's field hockey team ended off a tough season with three losses in Halifax this weekend.

The field hockey team lost the fifth place game 2-1 to host team Saint Mary's to take sixth at the Canadian Interuniversity Sport women's field hockey championships this past weekend.

In all three games of the tournament, UNB goaltender, Kate Betts-Wilmot was named UNB player of the game.

UNB began their weekend on Friday night when they were blanked 2-0 by Waterloo and 5-0 by UBC.

In UNB's final game of the season, SMU struck first. Monique Robichaud scored to give SMU the 1-0 lead late in the game. AUS all-star Heather Goodland answered Robichaud's goal to tie the game up and force overtime play.

Genevieve Gay came through for the Huskies in overtime play to bump UNB into a sixth place finish.

UNB's Athletes of the Month/Week

by Bruns Staff

Jay MacDonald and Jessica Locke were named the UNB Valley Graphics/Pepsi athletes of the month.

Locke is a fifth year volleyball player who was instrumental in guiding her team to a fourth place finish at the UNB Invitational tournament in October. She was selected to the All-Star team in the setter position.

"Jessica brings a lot of experience, leadership, and ability to our team this season. Her consistent setting forces our hitters to be much more efficient. Jess is going to be a key player for us this year and she showed everyone this weekend why she will be one of the top players in the AUS," commented UNB Coach John Richard.

MacDonald is a third year cross-country runner. At the last meet of the regular season, he led the UNB men to a second place finish. MacDonald finished first out of 52 runners with a time of 23:59.

At the AUS championships held at Dalhousie, MacDonald placed fifth overall with a time of 34:50, which qualifies him to compete at the CIS championships November 9th.

Kate Betts-Wilmot and Ryan Lindsay have been named the UNB athletes of the week for the week ending November 3rd.

Betts-Wilmot was solid in nets for the UNB Field Hockey team this weekend when they traveled to SMU for the CIS championships. She was named player of the game for all the UNB games.

UNB hockey team captain, Lindsay, was instrumental in UNB's two wins over their last three games, getting seven points.

"Ryan has shown improved performance in each of our games. He has an outstanding work ethic, strong leadership skills and is very competitive in all situations. I would expect his performance to continue to improve as the season progresses," commented Coach Gardiner MacDougall.

Men's soccer season over

by Nathan White

The UNB Varsity Reds men's soccer team's rollercoaster season came to an end last weekend in spectacular fashion.

The Reds dropped a 5-0 decision to East division powerhouse St. Mary's in the first round of the AUS playoffs Friday at UPEI.

After finishing their regular season with an impressive three-game winning streak, the loss comes as somewhat of a disappointment for the Reds.

"After the way we came together in the last three games, the loss was disappointing," said midfielder Wil Milner, arguably the team's best player this season. "We didn't feel the (5-0) score was indicative of the way the game was played," added Milner, who said that

overall there were a lot of positives to build on this season.

"Things can only get better next year," said Milner.

Invitational on Saturday. The UNB men's team placed fourth in the tournament with 18 points. Lakehead University grabbed first place.

On Sunday, at the McMaster Open, Helen Hennick won a gold in the 54 kg division.

Binney added a bronze medal to her gold and Rioux placed fourth.

The wrestling team will see action again November 24th when they host the Eastern Canadian championship.
