

Student Union Elections - Executive Candidates

President (1)

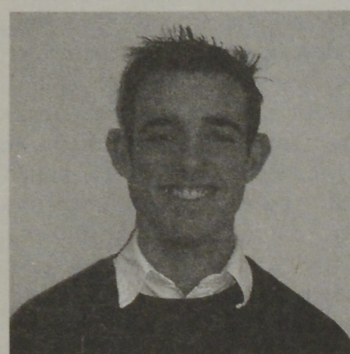

Kate Whitfield

"Open Doors, Open Minds" applies to all aspects of what the Student Union is about. When it comes to working with the UNB Administration, it would be my job to act as the student voice. To convince them to open their doors more to students and show where the money is going. As tuition increases each fall, students are made to feel that they are paying more for

less. Of course, none of this is possible without seeking input from students. Apathy is a function of feeling powerless. In order for the SU to get more students interested in what it is doing, it needs to make students feel that the channels are there and to give a reason to be involved. As your current VP Executive, I have an open door policy and have worked hard this year to get students informed through my column in the *Brunswickan* and through student forums. I feel that the SU also exists to offer services to students. I have the skills and background to assist the new executive in achieving their goals. This past year has involved a huge learning curve for me, now it is time to create some real change.

Tim Vail

Hello! I'm Tim Vail and I am running for SU president for this year. UNB has been my home for the past five years and I have grown to love the UNB life. I have taken classes in almost all faculties and buildings as I continue my quest for a university degree. Over these years I have become more and more aware of the challenges that face each and everyone of us.

Student Safety is my number one priority. Without out safety we cannot function to our potential. I will do every possible thing to ensure that students feel safe again. If security phones, more streetlights, campus police will keep us safe the lets do it.

The rising cost of tuition is next. This horrible painful ghost keeps rising to meet us every year. To our dismay "it" demands a larger sum of money then the previous year. Its time to take a serious look at a way to prevent this 8 -10% tuition increases every year!!!

The reason why I am running for president is that, Tim Vail can make a difference that will benefit all students here at UNB. *Vote Tim Vail* and I won't let you down!!!

Board of Governors (2)

**Danny
Elias**

**Timothy
Vail**

**Scott
Deschenes**

**Stewart
MacLennan**

**Kate
Whitfield**

YOU KNOW WHAT'S FUN?
VOTING.
IT'S REALLY EASY.

Hi Everyone,
I'd just like to take this opportunity to express my interest in the Student Union VP Executive position. I feel the experience I have gained at UNB make me well suited to represent you on your Student Union.

The VP Executive position has many different responsible

such as: acting as a general manger for the Union, be responsible for all the staff, assist the President, communicate with other schools, work with CASA and NBSA, and much more.

Working with the Alumni Office has allowed me to build a good working relationship with the administration of the university, which would be

**Certified General
Accountants Association
of New Brunswick**

Event:

The Certified General Accountants' (CGA) Association of New Brunswick will be holding an information session for anyone interested in entering the Association's Program of Studies.

Where:

Wu Center – Chancellor's Room
(located on the UNB campus)

When:

February 21, 2002

Refreshments and finger foods will be served at 6:30 P.M. with a formal presentation beginning at 7:00 P.M.

Local members and students will be on hand both before and after the presentation to answer any questions.

VP University Affairs (1)

Clarence Bennett

Hello UNB. My name is Clarence Bennett and I am a candidate this year to be a part of your Student Union as VP University Affairs. If elected I will also be one of your representatives at Senate.

Being a first year student of Law, I am relatively new to the institution. However, I am prepared to make UNB a better place in any way I can. There are several responsibilities required of the VP University Affairs and they all link to making your life as a student at UNB more enjoyable.

One of the more visible duties in the University Affairs portfolio is the operation of the

Safe Ride program. With all of the recent safety concerns at UNB, Safe Ride offers students some peace of mind by giving them reliable transportation from school after dark.

The office of University Affairs also oversees the Student Advocacy Centre consisting of a group of fellow Law students who are here to assist in legal issues affecting your life.

No matter the responsibility, I look forward to the opportunity to make the UNBSU a better place. During Election Week, vote *Yes to Bennett for Senate and VP University Affairs*.

VP Finance (1)

Matthew Clark

Hey all, my name is Matt Clark and I am running for VP Finance. I am a third year Geological Engineering student and am currently on the Student Union as the Student at Large. I think that I would make a good VP Finance because of my experience on SU and that I am part of the Finance Committee. The Finance Committee is group of people, chaired by the current VP Finance, who oversees the financial matters of the SU, most importantly how the different Clubs and Societies get funded. This year we are creating a new funding formula

that will take the subjectivity out of the financing process of the clubs and societies and I have been a major part of the creating this new funding formula. This most of all is why I believe that I have the necessary experience to be your next VP Finance.

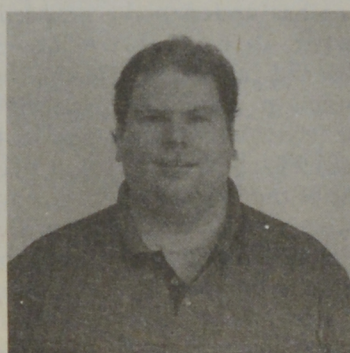

I want to leave you with a quote from a forth year law student, Brian Crothers (Killer to you rugby guys): "Matt, without you, there would be no Finance Committee."

Thank for taking your time to read this and I hope to get your vote.

SU ELECTIONS ARE FEBRUARY 19TH - 26TH - DON'T FORGET TO VOTE ONLINE!

VP Student Services (1)

Fane Dezan

My name is Fane Dezan. I am going into my final year of a Bachelor of Arts in Political Science. With this area of study, it allows myself to know the system in which the Unb student union operated.

I have been involved with many aspects of University of New Brunswick. I lived in a couple of residences, been on several

organizations, committees, and also had the pleasure to participate in UNB Orientation 2001. I also won in the bi-election early fall as a student union counsellor as an Art's representative for this current academic year.

As most people who know me, knows that I have great pride for this, I would like to give back to the University.

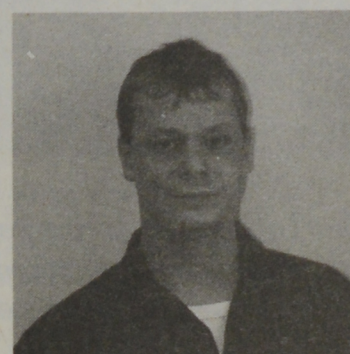

My official duties would be in the area of Student Services. Thus I would be in charge of student services such as health/dental car, the beaverbook, the paper trail and the yearbook.

I hope that you will elect me for Vice President Student Services for the coming academic year 2002-2003.

You may e-mail me anytime at fane.dezan@unb.ca

VP Executive (1)

Dave MacCoubrey

I am running for Vice President (Executive) of the UNB Student Union because I feel UNB Students need a representational voice regarding their education. I want to impose a change in the almost non-existent bond between the student body and their Union.

My main platform includes: Equal pay for equal play" for women's sports team's budgets, Campus Safety, The lack of parking issue, A more

environmentally responsible campus, Creating an information network with a special web site and automated phone service, Fighting for a tuition freeze and better disbursement of student loans, Raising student awareness of its Union, Getting a coffee vendor in the SUB, Foster student pride in their school, Devise alternatives to raise funds for a UNB football team (at no cost to students).

I bring experience to this position, as I was President of the New Brunswick Residence Cooperative in 1997; a member of *The Brunswickan* team facilitating its new look; a member of the Environmental Society, as well as being a self-employed media artist. Other experience includes being a class representative on my high school student council.

Thank you for considering my candidacy.

John Campbell

conferences, high school recruitment, campus tour guiding and community events, I've had the opportunity to represent students at UNB to the public.

I'm looking forward to working with the students here at UNB in the position of VP Executive. I hope I can count on your vote during election week.
