Bud fun had by all

by Dave MacCoubrey

Hundreds of screaming fans, spicy Cajun pizza, cold beer flowing much like water, mammoth projection screens heralding the latest touchdown of the Superbowl (the pinnacle of all North American sporting events), and to add to the flavour: the Washington Redskin's Cheerleaders greeting you as you enter this vast pleasure dome of the knuckle-dragging Neanderthal of the 21st Century.

Last night's trippy dream or a dream trip to Fredericton's Louisiana-style Bud Bowl presented by Budweiser at the Aitken Centre?

Real regrets that the event was for lucky ticket winners only. I am quite sure that I was not thinking of those poor ostracized football fans forced to rough the game on their bubble-screen televisions in the seemingly wondrous confines of their 1990s-style caves, while I was bumping elbows with the infamous Bud girls. Pity.

The end result of the grueling match seemed to appease the Patriot-ladened crowd, which had high hopes for the foretold underdogs of the battle.

Overall the Bud Bowl was an exhilarating experience. The obvious planning of the Bud Bowl showed. Kudos to the Budweiser team. Acute attention was paid to the smallest detail, demonstrating infinite knowledge in the art of catering to the predominantly male crowd in attendance.

The fine details that made Bud Bowl were video game consoles throughout the arena, a football-throwing game, multitudes of bartenders, 7500 Cajun Chicken wings, 5000 bowls of chicken gumbo, 4000 slices of pizza, 15 TVs, 6 cheerleaders, 3 bud girls, and 10, 000 prizes for the Bud Bowl patrons.

Scott Duguay our Student Union President almost won the trip to the Pro Bowl in Hawaii. He had to settle for a Game Cube instead. All I know is if Bud Bowl comes to Fredericton next year I want to be there.

Soke had his second of the game, along with goals by Graham Schlender and Shakotko. Getting two assists were Jason Hegberg and Todd Alexander and getting singles were Joe Bouvier and Soke.

Saint Thomas showed their frustration after the Reds' sixth goal as Tommies' Jason Sands roughed it up with UNB's Joe Bouvier in front of the STU bench. Bouvier was assessed two-minute penalties for roughing and roughing after the whistle and Sands was handed a ten-minute misconduct. The teams traded goals to end the game with UNB's final goal going to Todd Alexander at 18:51 with help from Craig Soke and Ryan Walsh.

When it was all said and done, UNB out-shot STU 44-35 and the Pepsi/Dairy Queen player of the game went to Soke who had a stellar game.

In earlier action this past Saturday, the Moncton Aigles Bleus ended their four-game losing streak by handing the Reds a 6-2 loss at the J. Louis Levesque Arena.

Scoring the pair of goals for UNB were Ryan Walsh and Jason Hegberg. For Walsh, it was his third goal in two games.

Moncton came out strong, scoring their first goal just 40 seconds into the game. They went up by another at 3:31 to make it 2-0. The goal, which came on the power play, came after UNB's Joe Gerbe got called for a checking-from-behind.

It was 3-0 Moncton 10 minutes later and it wasn't until after that that Walsh got UNB on the board with a goal at the 14:09 mark.

The second period didn't get any better for the Reds as Moncton scored early yet again with an early goal only 1:15 into the period. Neither team could beat the goalies and the scored remained 4-1 heading into the third.

Moncton's Sylvain Rodier scored for Moncton at 7:47 and the teams traded goals to end the game, 6-2.

Moncton's goalie Jonathan Pelletier earned the win, with UNB's Gene Chiarello getting the loss.

The win gave Moncton the season series and would give them the edge over UNB if the teams were tied in the final standings.

The Reds will have a chance to get their revenge against Moncton, when they host them this Sunday at 2:00 pm at the Aitken Centre. This is UNB's final game of the season, as the playoffs start on February 13th.
