I am Canadian Contest

UNB and STU are two of the 66 participating university and college campuses eligible to win a school year's supply of taxicab rides.

One lucky student at each university wins the grand prize as well as one second place winner who receives a semester of free cab rides.

Molson Incorporated, one of the largest beer brewers, is hosting an on-campus contest in hopes of reminding

students to drink responsibly when enjoying social activities. No purchase is necessary to enter the contest but being the legal drinking age is a prerequisite.

The contest, "Get the Picture": Remember Don't Drink and Drive, will run from August 27th to September 26th. Rules, regulations and entrance forms are available online at: www.iam.ca/dontdrinkanddrive.

UNB Computer Glitch

Financial Services found a glitch in their operating system August 28th.

Some students who accessed their accounts via the Internet saw figures that didn't add up – they were being double billed for services such as The

Brunswickan, the Student Union, CHSR, and the SUB Expansion. However, these additional online charges are not showing up at Financial Services and are not being included on student's bills.

11th Annual AIDS Walk

AIDS New Brunswick suggests 25 per cent of all HIV/AIDS cases reported in New Brunswick are people under the age of 25 – and they estimate that every month, one New Brunswicker becomes infected with the HIV virus.

With HIV/AIDS a reality in the province, groups and individuals are encouraged to register for the 11th annual AIDS Walk in Fredericton.

The five-kilometre walk will be taking place Sunday, September 21st as part of a nation-wide event, however, all money raised in Fredericton will support the local area; providing funding and awareness of HIV/AIDS prevention, counseling, and youth initiatives.

Walking is not the only thing people can do to get involved. They can collect pledges, donate prizes or supplies for the post AIDS Walk party or raise awareness among friends and family of the issue.

More than 500 people participated in

last year's walk, raising more than \$14,000 for HIV/AIDS awareness. This year, the committee hopes there will be even more people at the event.

For more information or to register, contact Nanette or Melissa at 459-7518, 1-800-561-4009 or email sidaids@nbnet.nb.ca.
