Reds dominate Campbell tourney

by Cindy Brown

The women's basketball teams started off the New Year right this past weekend at the third annual Jumbo Video Helen Campbell memorial tournament.

The story of the weekend was UNB's Bev Kennedy who dominated play in all three games, winning her athlete of the week honours for UNB and Canadian Interuniversity Sport.

UNB followed Kennedy's suit, dominating the tournament and winning all three games and taking the tournament title.

UNB was the only team to finish the tournament with a perfect 3-0 record after round-robin play. The team from McGill University returned home with the second best record with two wins and a loss. Saint Mary's finished with a 1-2 record while the Lakehead Thunderwolves were unable to win a game.

On Friday night, the women defeated the Lakehead Thunderwolves 65-44.

Leading the Reds was tournament MVP, Kennedy with 17 points. Heidi McLellan played a close second to Kennedy, scoring 16 points. Christy McBride rounded out the attack with 10 points for the Reds.

Leading the Thunderwolves was J Galloway and R. Degray with 12 points each.

The Reds left the court at half time leading Lakehead by only one point but they came out to play in the second half, dominating play and scoring 38 points to Lakehead's 18.

On Saturday, the Reds faced off against the McGill Martlets. The women left at halftime trailing McGill by six points. UNB came out with force after the break, however, dominating the second half of the game for the second time in the tournament with 34 points to McGill's 20.

Leading the Reds in their 54-46 win over the Martlets was Kennedy with 15 points, Sarah Melvin with nine points, and Amber Lenihan with eight points.

On Sunday, the Reds faced the Saint

Mary's Huskies in their final game of the tournament. The Reds ended the first half with a 46-32 margin over the Huskies, making their second half less stressful.

The Reds scored a whopping 38 points in the second half to finish the game with a 84-63 lead.

Leading the Reds was Lenihan with 21 points, McBride with 18 points, and Kennedy with 17 points.

The Reds currently hold the second place spot in the Nelson division, sitting 10 points behind the UCCB Capers.

If they continue finishing their second half of play, they might have a chance to challenge the Capers for a first place spot overall.

The Saint Mary's Huskies hold the second spot in the Baldwin division and are at par with UNB with six points. Memorial leads that division with 10

points.

Both the women's and men's basketball teams will see action this weekend as they host the UCCB Capers. The women will have a chance to continue their winning ways and pick up four points to challenge the Capers.

Come out and support your Varsity Reds this weekend. The women play Saturday at 2:00 pm and Sunday at 1:00 pm with men's games being held immediately after.
