UNIVERSITY OF NEW BRUNSWICK STUDENT UNION

STUDENT UNION BUILDING

Whose Head Do You Want Here?

From Left; Lyle Skinner, TBA, Wei Zhang, Ciana Chiasson, Jeff Brewer, Jeff Matheson - Student Senators

Voting period is fast approaching in the Student Union and Senatorial By-elections currently taking place here on campus. This is your last chance to have a say in who will be representing you for the remainder of the school year. Students are running in a variety of Faculties (see candidates list accompanying this article), and the students in those faculties are strongly encouraged to get out and vote for the person they feel will represent them in the best fashion possible.

A number of students are also in contention for a seat on the University Senate where they will join forces with the 5 Senators currently in place to represent all of us to the University. That means we all need to get out and vote from November 1st to November 5th and let that sweet, sweet, democracy be realized.

Student Senators, Out Representin'

By: Lyle Skinner, Student Senator Lyle.Skinner@unb.ca

Have you ever wondered about the current situation of McConnell Dining Hall?

Have you had a complaint about the lack of parking spaces at UNB? Did you receive a mark that you believe was graded in an unfair manner?

If you have said yes to these questions or have had any concerns about the operation of the UNB Fredericton Campus, the Senate is the forum to address these issues.

The Fredericton Senate is the primary decision and policy implementing body at UNBF. More important for students, it is the assembly that links the faculty and administration to the student populace. The undergraduate students are represented by 5 student Senators (see photo and "Who's Head..." article on this page) whom have voting rights at Senate meetings. These Senators and individual students, serve on various Senate committees to ensure that the viewpoint of students is properly vocalized at the Senate.

Therefore, if you have any questions, concerns, or are interested in serving as a student representative on a Senate committee; feel free to contact myself, Lyle Skinner or any of the other student Senators at: http://su.unbf.ca/council/councilors_index.php .

Wall of Debt Building Rapidly

UNB's national lobbying organization, the Canadian Alliance of Student Associations' (CASA) new campaign to bring attention to the staggering amount of debt facing students when they graduate is entering its second week. The "Wall of Debt" will be built of postcard "bricks" with signatures of students from across Canada and the amount of debt they have incurred or are projected to incur while at university. The wall will be unveiled on Parliament Hill on November 24th, 2004, and after it is taken down, each postcard will be sent to the Prime Minister to further highlight the massive student debt across our country.

UNB has received 2000 postcards, many of which have already been signed and returned and are ready to be sent back to Ottawa, to show how our students are being dragged down by debt. Students can sign postcards at the Paper Trail, the Student Union offices, or from any of your Student Union representatives. For more information on the campaign, or to get involved in postcard distribution, contact Jeff Matheson at suexec@unb.ca.
