

Why buy your computer from the University's Computer Sales Centre?

- **Educational Discounts:** Many of the products we sell have special educational discounts available only to students and educators, and often these discounts are exclusively available through the University's Computer Sales Centre.
- **Staff:** Our staff members are non-commissioned employees of the University. Our job is to sell you exactly what you need for your studies, not to "upsell" or "oversell" to you. The products we supply are those which are best suited to the educational environment, not those which make us the best profits or highest commissions. Our staff is knowledgeable and familiar with the university environment, and always ready to answer your questions or demonstrate products.
- **Convenience:** Our store is conveniently located on-campus, close to where you study and work, and we carry a wide assortment of the supplies you need, including ink, paper, disks, blank CD's, cables and much more. Even so, our prices are competitive or better for these items than most other places in the city, so you won't be paying a premium for the convenience.
- **Service & Support:** We have our own service centre located on site, staffed by experienced University-employed technical support personnel, able to service and support many products purchased here or elsewhere, or to assist you with upgrades or configuration.
- **Remember:** You do not need to be a university student to shop here.

With the exception of educationally-discounted software packages and a few other items, we can sell any product we stock to any customer. See us for all your needs!

How to Buy

We accept payment in the form of cash, bank draft, credit card (Visa, MasterCard, American Express), or debit card. All items must be paid in full when picked up. Some special order items will require a deposit, or in some cases payment in full at the time of ordering. We do not offer leasing or financing options at the Computer Sales Centre. These options are offered by the campus branch of the Bank of Montreal (located adjacent to us), or we will work with you to provide any necessary documents or information to your financial institution.

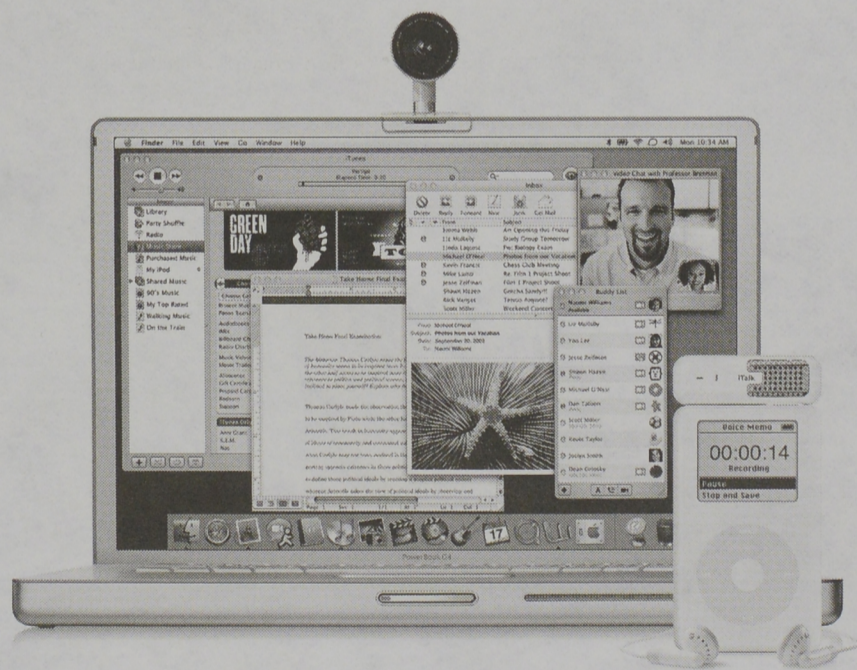

Location and Hours of Operation

The Computer Sales Centre is located within the University Bookstore, at 29 Dineen Drive on the west side of the UNB Fredericton Campus. The store is open Monday to Friday 8:30A.M. to 4:00P.M., plus Saturdays from 9:00A.M. to 4:00P.M. (September to May only).
