PSAs

Help end violence against women! On November 22, join the Fredericton Sexual Assault Crisis Centre at the Fredericton Playhouse for a Cabaret Atlantic musical event honoring thirty years of the Centre's efforts in our community. Enjoy performances by Canadian Idol's Casey Leblanc, ECMA nominee Vetch, Mike Doyle, Kathy Gregory, Becky Banks Maclean and others coming together in fun, support, and hope. Tickets are twenty dollars each and available at the Playhouse box office or by calling 454-0460.

Interested in improving your relationships? Learn what makes romantic relationships successful. This workshop will focus on factors identified by research which make relationships work. Participants will learn by a variety of methods: lecturette, self-assessment and interactive exercises. Tuesday, November 22, 3:00-4:30 P.M. Location: President's Room, Alumni Memorial Building, 13 Bailey Drive.

Stress is a person's response to change. It can be a response to a single event, a series of events or to an ongoing situation. For many students it is a normal response to the challenges and demands of being successful at university. You are invited to attend our Stress Management Workshop and create your own "stress buster" program! Friday, November 18, 10:30-11:20 A.M. Location: Counselling Services, Alumni Memorial Building, 13 Bailey Drive.

Thursday, November 24, 8:00 P.M. STU Chapel. The UNB/STU Music on the Hill presents Aditya Verma, sarod and Vineet Vyas, tabla. They will give a dramatic performance of Indian classical music that will express every emotion and every subtle feeling in humanity and nature through their rich melodies and rhythms. Admission: adults \$20, seniors \$18, students \$6 (with ID).

The Stepping Stone Forum for November 16 presents Eugene Lewis with pictures of Bhutan: The Last Shangri-La. Bhutan is a Buddhist monarchy lying between India and Tibet in the foothills of the Himalayas. During a visit in February, Dr. Lewis photographed many animals and birds. He is chair of UNB's department of Electrical and Computer Engineering, and is involved in a project using advanced technology to bring electricity to remote parts of the country. The forum meets every Wednesday at 2:00 P.M., 15 Saunders Street.
