- ♦ Class Rep for Computer Science
- ♦ Class Rep for Engineering
- ♦ Class Rep for Kinesiology
- ♦ Class Rep for Ren College
- ♦ Class Rep for Arts
- ♦ Class Rep for Science
- ♦ Class Rep for Education
- ♦ Class Rep for Forestry
- ♦ Class Rep for Law
- ♦ Class Rep for Nursing

Make your last year at UNB a memorable one...

We are currently looking for students who are interested in representing their 2007 Class. The Grad Class will work closely with the Associated Alumni Office, Development and Donor Relations, Encaenia Coordinator and the Student Union.

Responsibilities of the Grad Class Committee include:

- Work closely with all members of your Faculties Grad Class
- Coordination and fund-raising of the Grad Class Project
- Assist with the coordination of Grad Class traditions during Encaenia (i.e. Tree Planting Ceremony, Valedictorians process)
- Assist in organizing Grad Class events throughout the academic year
- (The Grad Class President will be responsible for representing their graduating class in years to come)

Requirements:

- Must be graduating in May 2007
- Excellent leadership skills and a strong commitment to UNB

Need more information?...go to www.unb/alumni/grad-class2007

Interested in being a part of the 2007 Grad Class Committee? If so, please submit a letter of intent and resume by **Wed, April 12th** to:

UNB Associated Alumni Office
c/o Annette Wetmore (awetmore@unb.ca)
Alumni Memorial Building, Room 109

'Proudly UNB - Be Proud of It. Be Part of It.'

Apply Now!

Seats still Available in The School of Business!

Convenient full-time and part-time study is available in Accounting; Bilingual, Medical and Office Administration; Transportation Operations; Investment Management and Transportation Management

Bilingual Office Administration

- This two-year program is available at the **Woodstock Campus** starting September, 2006
- The program is designed for everyone - the ability to speak *French* is *not* a requirement
- If you would like to experience activities within a French environment, and have a fun time doing it, this is the program for you!
- Graduates will be qualified to find work in most offices within the provincial or federal government

Transportation Operations & Transportation Management

- These one and two-year programs are available at the **Woodstock Campus** starting September, 2006
- Transportation is an industry that employs almost a **million Canadians**
- Learn the skills to work in an industry with awesome technology. Do a job that is worthwhile and has many opportunities! Work in a fast paced transportation environment - without having to travel!
- Control communications for a company with the push of a button. Coordinate operations for trucking, air cargo, rail, freight, courier services and customs brokers
- The average pay of transportation related jobs is \$43,000 a year. **Serious money.** NBCC provides graduates with the skills and knowledge to work with companies such as Day & Ross, McCain, Sunbury, Armour, Brookville and Kuehne & Nagel
