22		THIS MONDAY, VOTE.				

To know when and where to vote, consult your voter information card. It includes all the information you'll need to use your right to vote, and you'll get through the voting process more quickly if you have it with you.

Voting hours for your polling station are indicated on your voter information card and on the Elections Canada Web site at www.elections.ca by clicking on the Voter Information Service icon.

If you haven't received this card, you are probably not on the voters list. To be able to vote, all you have to do is go to your polling station on election day, January 23, and present an official document that includes your name, address and signature. If you do not have such a document, you will be given the opportunity to swear that you are eligible to vote at the polling station you are in, as long as you are accompanied by a voter registered in the same polling division who can vouch for your identity.

For more information, please contact your local Elections Canada office or visit our Web site at www.elections.ca.
