AD/HD SUPPORT GROUP

The Purpose of this Focus group is to educate UNB students about AD/HD as well as create a peer support system for those students affected by AD/HD. Moreover it is will be designed to provide the students with the tactics and skills they can use to succeed both while they are at university and after graduation. We also recognize that it is important to provide the public with accurate information so we can dispel any myths or stigmas attached to AD/HD. The first session begins this Tuesday at 6:00pm in Room 104 of the Student Union Building.
