

LONGLEY'S GREAT WESTERN INDIAN PANACEA.

1. For Colds and Feverish feelings and preventing fevers.
2. For Asthma, Liver Complaint and Bilious Affections.
3. For Diarrhoea, Indigestion and Loss of Appetite.
4. For Costiveness in females and males, and nervous complaints.
5. For Stomach Affections, Dyspepsia, Piles, Rheumatism, &c. The great points are it is not bad to take, never gives pain, and never leaves one costive.

Dyspepsia and Liver Complaint cured, and all Western and Southern Fevers prevented, in every case, by the use of Longley's Great Western Indian Panacea, warranted to cure the most severe cases of the above complaints. Loss of appetite, bilious affections and indigestion, are permanently cured by its use. The great points are, it is not bad to take; it does not leave the bowels costive, and never gives pain in its operations. This Panacea will remove all the bad bile from the stomach and give tone to the system, and keeps off all attacks of malignant fevers. If the stomach is in a healthy state, and the pores of the skin are open, so as to admit of free exhalation of the body, there can be no attack of fever. This office the Panacea will positively perform, and we recommend all to try the article if they wish to ensure health during the year. As a family medicine, it is unparalleled for coughs, colds, and all diseases of the blood, and kidney and scortula complaints.

DR. SPORN'S SICK HEADACHE REMEDY.—Why will you suffer with that distressing complaint, when a remedy is at hand that will not fail to cure you? This remedy will effectually destroy any attack of headache, either nervous or bilious. It has cured cases of twenty years standing.

MOTHER'S RELIEF.—*Indian Discovery.*—All expecting to become mothers, and anxious to avoid the pains, distress and dangers of child bearing, are earnestly entreated to calm their fears, allay their nervousness, and sooth their way, by the use of this most extraordinary vegetable production. Those who candidly observe its virtues, must approve of it in their hearts; every kind and affectionate husband will feel it his most solemn duty to alleviate the distress his wife is exposed to, by a safe and certain method, which is, the use of the mother's relief.

HAVE YOU A COUGH.—Do not neglect it.—Thousands have met a premature death for the want of attention to a common cold. Rev. Dr. Bartholomew's Expectorant Pink Syrup will most positively give relief and save you from that most awful disease pulmonary Consumption, which usually sweeps into the grave thousands of the young, the old, the lovely and the gay.

To owners of and dealers in Horses.—*Carlton's Powder Ointment.*—For the cure of Founder, Split Hoof, Hoof-bound Horses, and contracted and Feverish Feet, Wounds, Bruises in the Flesh, Galled Backs, Cracked Heels, Scratches, Outs, Kicks, &c. &c., on the Horses.

Carlton's Ring-Bone Cure.—For the cure of Ring Bone, Blood Spavin, Windgalls, and Splin—a certain remedy.

This Ring Bone cure and the Founder Ointment are prepared from the recipe of a very celebrated English Farrier, and will cure in ninety nine cases out of one hundred any of the above complaints. They have been used by farmers, livery men, stage proprietors, and others, with the most marked and decided success.

FOR FEMALE AND MALE.—Dr. Larzette's Juno Cordial, or Procreative Elixir, prescribed as an effective restorative in cases of Debility, Impotency, or Barrenness, and all irregularities of nature. It is all that it professes to be, viz: Nature's Great Restorative, and remedy for those in the married state without offspring. It is a certain cure for Seminal Emissions, General Debility, Gleet, weakness of the Genital Organs, Nervous Affections, Leucorrhoea. As an invigorating medicine it is unequalled. Also, a certain remedy for Incipient consumption, Indigestion, loss of Muscular energy, Physical Lassitude, Female weakness, debility, &c. It is warranted to please the user in any of the above complaints, and is of priceless value to those without offspring.

Caution.—This celebrated medicine cannot be genuine unless the fac-simile signature of Judson & Co. (N. B., the only American Agents) is on the wrapper of each bottle. Principal office 57 John Street, New-York.

KOLMSTOCK'S VERMIFUGE.—This is the most extraordinary remedy for Worms ever used; it effectually eradicates Worms from both Adults and Children. It cannot harm the most delicate Infant or strongest Adult, and never fails to completely root out and destroy all kinds of Worms. The cost, 2s per bottle, puts it within the reach of all, and all parents who are without it are wantonly exposing the lives of their children to those fell destroyers of youth "worms."

Caution.—All the above named articles are sold only in New York, by Comstock & Co., Brothers, 57 John Street, and sold by A. H. Coy, Fredericton, and S. L. Tilley, St. John.

CHERRY PECTORAL

For the Cure of
COUGHS, COLDS, HOARSENESS,
BRONCHITIS, WHOOPING-COUGH,
CROUP, ASTHMA, AND
CONSUMPTION.

THE annals of medical science, affording as they do ample proof of the power and value of many medical Agents, have furnished no examples to compare with the salutary effects produced by "AYER'S CHERRY PECTORAL."

The remarkable cures of diseases of the Lungs which have been realized by its use, attested as they are by many prominent professors and physicians in this and foreign lands, should encourage the afflicted to persevere with the strong assurance that the use of the "CHERRY PECTORAL" will relieve and ultimately cure them.

Among the distinguished authorities who have given their names to recommend CHERRY PECTORAL, as the best remedy that is known for the Affections of the Lungs, are 'The London Lancet,' 'Canadian Journal of Medical Science,' 'Boston Medical and Surgical Journal,' 'Charleston (S. C.) Medical Review,' 'New Jersey Medical Reporter,' Prof. Webster, Harvard College, Prof. Bartlett, Transylvania University of Medicine, President Perkins, Vermont Medical College, Dr. Valentine Mott, New York City, Parker Cleaveland, Bowdoin College, Prof. Butterfield, Willoughby College, Ohio, Prof. Braithwaite, Leeds (Eng.) Medical School, Sir Richard Kane, Queen's College, Ireland, Prof Rosenbaum, Leipzig.

The public have but to know the virtues and astonishing success of the 'CHERRY PECTORAL,' in curing diseases of the Lungs, when they will feel secure from these dangers whenever this remedy can be obtained.
