

made to justify the slander complained of.—Mr. STREET himself, or we certainly mis- understood him, said he did not mean to justify the publication with reference to the Lieut. Governor; and Mr. HAZEN in his address to the Jury, declared that had it not been for the notice bestowed upon the article by the Legisla- ture, it would have sunk into the contempt it merited. The entire defence in fact, was an attempt to do away with the gravamen of the charge,—to deny the publication of the libel,— or to misrepresent its meaning; and all these causes operating upon our mind when writing, led us to make the remark we did, but which it would seem was an incorrect one: an error how- ever, into which if we mistake not, the perusal of the trial will induce others very generally to fall; and therefore do not hesitate to insert Mr. STREET's declaration, that the Counsel for the defence never meant to admit "the publication or alleged libel to be unjustifiable or unfound- ed."

At the Annual Meeting of the Fredericton Society of St. Andrew held on Monday evening 10th inst. the undermentioned gentlemen were re-elected office-bearers for the ensuing year. JAMES TAYLOR, Esq. President. JOHN GREGORY, 1st Vice President. ROBERT FULTON, 2nd do. do. The Rev. DR. BIRKMYRE, Chaplain. JOHN F. TAYLOR, Treasurer. W. M'BEATH, Secretary.

The season continues remarkably mild and open. There has been heavy rain how- ever during the last fortnight; the lakes and rivers are well filled, and probably before another fortnight shall have passed away, winter will have laid its icy hand upon them, and more seasonable weather will have com- menced in earnest. This morning the ground is covered with snow.

The first November mail, will probably ar- rive at Halifax to-day or to-morrow; and we shall be enabled next week to furnish our readers with very copious extracts from our files of English papers.

It will be seen from the following notice, that the Britannia will not return to England till the beginning of next month:

Post Office, Fredericton, Nov. 11, 1840. The Mail for England by the Britannia, will be closed at this Office on Saturday the 28th inst. at 11 o'clock in the forenoon, instead of the 15th as previously mentioned in the Sentinel.

W. B. PHAIR, P. M. As we shall commence on the first of next month the fourth year of THE SENTINEL, those wishing entire copies from that date will have the goodness to notify our Agents or send directions to the Office. The terms of this Paper are Fifteen Shillings per annum, payable half in advance, exclusive of Postage which is Two Shillings and six- pence. When the advance is not paid, and the Paper not settled for at the expiration of each year after subscribing, the price will be Seventeen Shillings and Six Pence exclusive of Postage. Subscribers will please bear this in mind, as those accounts in ar- rear will be made out accordingly, unless promptly settled.

We observe that the Editor of the Miramichi Gleaner is about to introduce the Cash system into this Province, with refer- ence to subscriptions to Newspapers and advertising; and hope his example will be generally followed.

As respects The Sentinel; we shall expect in future, that when it is ordered or subscri- bed for the advance be paid; and unless the year's subscription is paid when it becomes due, the paper will be stopped. Those per- sons in the vicinity of Fredericton, who wish to pay in produce, must send the same to this office, before the last of this month; as, with the exception of Wood or Oats, all payments after the 30th November must be in cash.

Accounts now due it is expected will be paid immediately.
