

SONS OF TEMPERANCE

TO THE RESCUE.

Lots of Work to do but no money to carry it out.

An Urgent Call to the members to sustain the S. of T. press and assist in

Distributing Temperance Literature.

A little money better than a good deal of sympathy.

We want more money and personal help on the part of the members to carry on this work we have undertaken in the interest of the Sons of Temperance.

We have been afraid the members would imagine we were publishing the JOURNAL for mercenary purposes and working for the order for the profits we could make out of the paper, and have not pressed for help as we should, and as a result we have been sinking hundreds of dollars yearly, and giving many hours of valuable time, which in our business has been equivalent to dollars and cents, to the work on the paper and writing letters to, and visiting branches of the order.

We are not in the least sorry for the time given or the money spent in the interests of the order, but we find we are hampered in carrying on the work for the lack of means—More money we must have for the work, and we cannot take it from our other business.

The field is too large, and the work too vast for our limited resources. We are giving weekly, hundreds of copies of the Sons of Temperance paper free to Grand W. P. & Grand Scribes and others, and are circulating thousands of circulars and doggers, all over the continent having special reference to the order.

We must advertise our order more with news-paper, circular and leaflet, and to do this those who have the good old order to heart must help us out with their means.

Oh! for a big-hearted, loyal and philanthropic member of the order who would come forward and say, "show me that you are in earnest in this work and I will help you to the extent of"—well! we will be modest—"100".

"One hundred dollars" you say, "how far would that go." Brother! one hundred dollars will print ONE HUNDRED THOUSAND LEAFLETS, about the order! and how far will they go?

Two Hundred Dollars will put them among two hundred workers who will scatter them judiciously, where they will do the most good.

One Hundred Dollars would deliver into the hands of the members in any locality, TEN THOUSAND free copies of the TEMPERANCE JOURNAL, 8 pages brim full of the work the order is doing all over America.

Many members have not the time, or they may think they have not the opportunity to work in this temperance cause, or for the order, and they would prefer giving a little money to doing personal work, were they sure the money would go towards the right object. Any who decide to expend their offering in the way suggested above will be convinced that the money is going directly to inculcate the principles of Total Abstinence for the individual, and Total Prohibition for the state.

To carry out the work we have projected for the year will require \$5000. Shall the work stand still for lack of means to carry it on, brothers?

Every dollar will help us in the work to send out our temperance literature. If your heart is with us and you have a dollar or so in your pocket that seems to burn to do some good for those around you enthralled by the evils of drink, just write us and we will tell you some of our plans for building up the cause this year.

HERMAN H. PITTS, P. G. W. A., Editor JOURNAL

A Witness with Experience.

Many a man is in prison to-day who would be an honored man had he not been betrayed while drunk by his inherent tendency to evil, to take some steps that disgraced him in his own self-respect of others. Nearly all criminals who had a proper training in youth took their downward step when drunk. It is these well-known results that so closely connect liquor and crime. [From the Prison Mirror, published by the inmates of the Minnesota State Prison.]

Allenport, Pennsylvania.

DEAR EDITOR,—The JOURNAL reaches us promptly on Wednesday of each week and its coming is hailed with delight. It is a grand success and our Order would be greatly benefited were there many more such advocates of our cause.

The Divisions in this jurisdiction are in a flourishing condition and are instrumental of much good in their respective neighborhoods.

On the evening of the 27th ult., the members of Lucyville and Fayette City Divisions chartered the passenger steamer "R. B. Kendall" and set out on an expedition down the beautiful Monongahela to Belle Vernon, to pay a fraternal visit to the Division at that place. Quite a large representation of Belle Vernon members greeted us on our arrival and royally entertained us with music, songs, recitations, readings, etc. Remarks were also made by the visiting members and it was not until a late hour that we turned our attention toward home. We believe that visitation is one of the best ways of promoting our order and holding our membership, and would like to see it more generally practiced.

The return trip was enlivened with the game of "Pig in the parlor," to the refrain, "Cartwright's mule he crossed the bridge," as led by Bro. Hammith. Everyone seemed to enjoy the trip immensely, and all retired to their respective homes realizing what

A goodly thing it is to meet
In friendship's circle bright,
Where nothing stains the pleasure sweet
Or dims the radiant light.

Wants More Interest in the Paper.

Mrs. Patrick Hayes, G. S. of Maine in Semi-annual report says: "I would like to again draw your attention to the TEMPERANCE JOURNAL, the organ of the S. of T. I have been greatly disappointed in the interest shown in this valuable paper. I supposed that during the past six months that we should hear from every Division in Maine through its columns, but I have seen nothing in regard to any of these excepting Pine Tree, No. 1, Ticonic, No. 13 and my own Division (Soldiers) No. 5. I think that every Division that possibly can, should subscribe for the JOURNAL, and have a regular correspondent who would send to it items from time to time, in regard to installation of their officers, and any interesting meeting which they hold. My own Division subscribed last November for ten copies, and appointed a correspondent, and the members look forward every week to either hear something from their own Division, or from some of their neighbors."

Deeply Interested in its Success.

Letter from THOS. WEBSTER, G. W. P., ONTARIO: "I have watched with great interest your efforts to furnish the Order with an organ, but have feared that it would soon have to go the way of its predecessors. Your idea to establish a paper which will cover our National Division jurisdiction is a good one and the project should be encouraged and receive the hearty support of the members * * * I am much pleased with the JOURNAL and it should succeed. Personally I feel deeply interested in its success and hope that some scheme may be adopted to ensure its publication as the organ of our National Division."

Law in Montreal.

Our readers will be interested in reading the legal opinion of Montreal's chief officer respecting street preaching. An exchange says:

"It seems rather a tough and unjust thing to fine a man for standing on the street quietly listening to the preaching of the gospel, yet this tough and unjust thing has been done in Montreal. So unusual a proceeding deserves more than a passing notice. The recorder of the city in pronouncing judgment laid down the law and his own opinions in the following fashion: "I respect any person wishing to observe his religious duties; he is apt to be a law-abiding citizen. It appears that citizens were preaching in favor of the Lord Jesus Christ. Christ observed the law. People who preach on the street or from doors and windows are fanatics, and are not following the Lord Jesus Christ, for to gather a crowd on the sidewalk is against the law. The crowd last night were all guilty, though not arrested. The accused was not guilty when he stood alone, but when he formed part of a crowd. As long as the law remains as it is I will not tolerate a preacher on the streets, even if he says he is sent by God. The streets belong to the public. There are plenty of temples where the preachers will be glad to see the people. If you want the law changed to allow preaching in the streets somebody will have to go in the name of God to the aldermen and have the law altered to suit them. As you look like a good citizen I will only fine you \$1." We don't mind saying that the judgment and the whole proceedings were a disgrace to the city of Montreal, as they would be to any city in any civilized country in the world.

There is one drinking place in England for every 250 people.
