Being made from products that you

even the tender skin of a babe.

FAIRY SOAP

is white—pure—floating. It comes in a handy

price asked for FAIRY SOAP and we could
add nothing to its quality.

In higher-priced soaps you are paying for
high-priced perfume and fancy wrappers
—not better soap.

FRANK CHANCE
HOLDING OUT FOR
TWENTY THOUSAND

Released to Cincinnati Reds by Chicago
Nationals—Herrmann Undecided
Concerning the Deal

Chicago, Nov. 9.—Frank Chance, former manager of the Chicago National League Baseball team, was released to the Cincinnati team of the same league today on a waiver for \$1,500, it is announced here. This ends Chance's connection with the Chicago team and puts an end to the conjecture that Joe Tinker, Chicago's shortstop, would manage Garry Herrmann's Reds.

Cincinnati, Nov. 9.—President August Herrmann, of the Cincinnati Baseball club, when informed that Frank Chance had been released to the Cincinnati club, said he did not know whether he would use Chance next season. He declared that he has refused to waive on the former manager of the Chicago team, but had not decided whether to use him either as a player or a manager of his team.

Los Angeles, Cal., Nov. 9.—"I will not stir from my ranch in Glendora until I am paid \$20,000 cash," Frank Chance exclaimed today when told of the deal whereby he has been transferred to Cincinnati by President Murphy, of the Chicago Nationals.

ARGONAUTS WON TITLE

Toronto, Nov. 10.—Its all over and Argonauts are the big four champions. They defeated the Rough Riders at Ottawa in a hard rough game, 23 to 11. Argonauts always led and had the edge, as the score indicates except in the second quarter, when the Rough Riders clearly outplayed them and had them looking bad for a few minutes.

ROTHESAY BEAT ST. JOHN

St. John, Nov. 10.—The Rothesay Collegiate football team captured second place in the Interscholastic League last Saturday afternoon when they defeated the local High School fifteen by a score of eight to six. The game was played on the new grounds at Rothesay, and was fast and interesting from start to finish. Dr. Don Malcolm refereed in a satisfactory manner.

FRANKIE FLEMMING WON

New York, Nov. 9.—Frankie Fleming, featherweight champion of Canada, so far outclassed Fred O'Brien, a Boston featherweight, in their bout at the Fairmont Athletic Club tonight that the referee stopped the contest in the eighth round.

NORMAL BEAT BANKERS

In a game of football on Saturday afternoon on College Field the Normal School defeated the Bankers by a score of 5 to 3.

C. P. R. STRIKERS

MAY LOSE PENSION

Montreal, Nov. 9.—Scores of veteran C. P. R. employees are likely to lose pensions to which they were almost entitled as a result of the recent abortive strike. Many of these participating were old men who would have qualified in a year or two for a pension, now they will be forced to go without and may even find it difficult to find work with the company again. All employees entering the service of the C. P. R. before the age of forty years are retired at sixty-five years a pension equivalent of fifty per cent. of their average earnings for the past ten years. "Conditions nearly normal," and the report issued in the superintendent's office this morning regarding the strike on the eastern division.

Annual List of New 2.30 Performers Shows a Total of Thirty-six—Eighteen Horses Reduced Record—Frank Patch Champion Pacer and Billy C. Champion Trotter—Dimple K. Fastest Mare Made New Record on Local Track

The Acadian Recorder's annual list of new 2.30 performers shows that 33 horses entered the 2.30 list on Maritime Province tracks the past season, and that three owned in New Brunswick entered "the chammed circle" in Maine, a total of 36, which is 11 more than last year. Eighteen horses already in the list reduced their previous record, and a New Brunswick horse further reduced his mark in Maine. 312 heats were trotted or paced on Maritime Province tracks in 2.30 or better, and 110 of these were in 2.20 or better.

THE CHAMPIONS.

The champion trotter of the Maritime Provinces is the gelding Billy C, raced by W. B. Lowe, Amherst, and driven by John Chisholm. His only defeat was in his first race at Moncton, but he won the four other races in which he competed, and in his first race at the Halifax exhibition he won in straight heats in 2:16, 2:16, 2:15, the three fastest heats ever trotted in the Maritime Provinces, and the last heat the fastest mile ever trotted in this country.

Frank Patch, 2:12, the champion pacer, owned by James Adams, Halifax, and driven by Frank Adams, was again the fastest horse owned in the Maritime Provinces. His second heat at Halifax in August in 2:14 was the fastest mile the past season made by a horse owned in the Provinces. He was also the winner of the \$2,000 match race in July, the largest amount ever raced for in the Maritime Provinces.

Fredericton has the honor of having the fastest mile of the season, made on its track, 2:13, by Alcide, 2:11, entered by D. D. Warman, Providence, in July, when he won the free-for-all, with Gallagher, 2:33, second, and Xesta Boy, 2:03, third. The latter horse, owned in Summerside, P.E.I., and driven by Di Steele, won the fastest six-heat race ever in the Provinces at Halifax, the heats being 2:17, 2:16, 2:16, 2:15, 2:15, 2:15.

Baring, driven by Frank Boutilier, was the champion trotting stallion of the year. He was in six races, winning them all, and at Moncton, when he defeated Gallagher and Frank Patch, he won the fourth heat in 2:13.

Minnie, owned by R. A. Smith of Antigonish, now in Halifax, also driven by Frank Boutilier, was the greatest new performer of the season. She started in eight races, winning all but one, in which she was only defeated by Billy C, champion trotter, capturing \$1275 in prize money and making a record of 2:17.

The Maine pacer Dimple K, was the fastest mare on the provincial tracks the past season, lowering her record to 2:15 at Fredericton.

The remarkable performance of the season among the colts was the reducing of the two-year-old record for the Provinces to 2:28 by the trotter Baring's Comet, owned and driven by W. H. Musgrave, Halifax. The latter's four-year-old, Achille the Great, trotted the fastest mile by a horse of his age at Fredericton, winning in 2:20. The Maine colt Dan C, Jr, paced the fastest mile by a four-year-old, also at Fredericton, at the August meeting, when he won in 2:17. Baron Cecil, owned by R. H. Gray, Thorburn, N.S., and driven by Peter Carroll, Halifax, was the fastest three-year-old of the season, either trot or pace, when he made a record of 2:24 at Halifax against a field of aged horses.

HARRY WOLVERTON
NO LONGER MANAGER
OF HIGHLANDERS

Frank Farrell Refuses to Renew Contract With Him—Wolverton Probably Will Return to Coast

New York, Nov. 7.—Harry Wolverton has joined Roger Bresnahan, Frank Chance and Hank O'Day in the Ancient Order of Deposed Managers. The leader of the Yankees was elected yesterday, when Frank Farrell, owner of the New York Americans, announced that he would not renew his contract with Wolverton. Farrell said he did not know who would succeed the deposed one, but as Hank O'Day has formally resigned from the Cincinnati Reds and Bresnahan and Chance are eligibles, the field is pretty well populated. O'Day and Bresnahan are free agents, while Chance might be secured through C. Webb Murphy. Farrell says he has four or five months in which to make his choice, but the idea is to get the good things while the going is good.

BACK TO THE COAST.

Wolverton was brought here last year from the Oakland Club of the Pacific Coast League, where he made a big reputation as a manager. It will probably be back to the coast for him in 1913. He finished in last place with the Yankees but this fact was attributed by many fans to the series of hard luck incidents that early robbed Wolverton of the services of his best players. During the latter part of the season, Wolverton did a lot of experimenting with minor leaguers in an effort to rebuild the Highlanders for 1913. His successor will have the benefit of this.

O'DAY CLEARS THE WAY.

Hank O'Day has cleared the way for a change in the managerial situation at Cincinnati by coming out in a straightforward manner and resigning his job in favor of Joe Tinker. Hank realizes that Redland wants a playing-manager and says so in his letter of resignation. O'Day doesn't have to worry about the future as he is one of the best umpires in the business and has a swell offer from Ban Johnson to take up the indicator again. Here is his letter to Herrmann:

Chicago, Nov. 4, 1912.
August Herrmann, President Cincinnati Baseball Club, Cincinnati, O.:

My Dear Sir—I have noticed in reading the daily papers that you now have a possible opportunity of securing a player-manager and knowing that you and the others of your Board of Directors have been strongly inclined toward making the experiment of employing a playing instead of a non-playing manager, and mindful of your kindness and uniform fair treatment of me while in your employ, I wish to step aside so that I may in no manner be an embarrassment to you.

Therefore I respectfully offer my resignation as manager of your club and ask that you drop my name from any further consideration for the position.

Again thanking you and your Board of Directors for the consideration and support they gave me during my term as the manager of your club and with my best wishes for the future success of the team and club, I am, yours faithfully,

HENRY O'DAY.

DALHOUSIE BEAT MCGILL

Halifax, Nov. 10.—Dalhousie defeated McGill's Rugby football team on Saturday afternoon 16 to 5, the McGill score being a try by Buckley which was converted into a goal. In some deportments of the game McGill showed class but in others their weakness was glaring.

INTERCOLLEGIATE TIE

Kingston, Nov. 9.—It was up to Toronto Varsity to win today in order to tie McGill for the championship of the inter-collegiate league they did it by a score of 9 to 3.
