The deceased was seventeen years of age and was married but seven months ago and is survived by her husband John Maxwell, her father David B. Carr and one sister Miss Willie Carr. The funeral will take place Thursday afternoon at two o'clock. Rev. Mr. Foster will conduct the service and interment will be made at Geary.

HYDRO-ELECTRIC

BILL ENCOUNTERS
OPPOSITION

Request made that Rights of St. George Pulp & Paper Co. be Preserved—Power Reserved for use in Charlotte Co.

COMMITTEE CONSIDERS
BILL IN PRIVATE

The Corporations Committee met this morning and continued the consideration of the bill to incorporate the New Brunswick Hydro-Electric Company. It was stated to the committee that negotiations between the promoters of the bill and the Gillmour interests for promoters to take over the Gillmour holdings had not reached a successful conclusion. The company offered \$8,000 and the Gillmour interests wanted \$15,000. An alternative proposition suggested was that the Gillmour interests might have a certain amount of power reserved for them.

ARBITRATION PROVIDED FOR.

The question of arbitration proceedings in the event of expropriation being provided for was considered at length. The promoters were willing to have the provision in the bill that the company should in all cases pay their own costs.

Hon. George J. Clarke asked to have it specified that there should be no power given under the bill for the new company to expropriate any holdings of the St. George Pulp and Paper Co. on the Magaguadavic. The company had attained its rights not by expropriation but by paying good money for them. After some discussion it was agreed that expropriation rights under the bill should give authority to the new company to expropriate the property of the St. George Pulp and Paper Company for flowage purposes only.

RESERVATION OF POWER.

It was also agreed that there should be a provision made for a reservation of a certain amount of power for Charlotte County users.

Mr. P. W. Thomson, one of the promoters of the bill, said that the cost of the proposed works to be constructed by the company and for which plans had been drawn would be \$1,500,000, about equally divided on the Lespreux and the Magaguadavic. The committee went into private consideration of the bill at about noon.

DEATH AT PENNIAC

Mrs. Margaret Logan, widow of the late James E. Logan, died last evening at the home of her daughter, Mrs. Henry Moore of Penniac, at the advanced age of eighty-six. Death was due to paralysis. Three daughters survive, Mrs. William Estabrooks of Woodstock, and Mrs. Henry Moore and Mrs. William Hamilton of Penniac. One son, Mr. Mores Logan in Quebec also survive. Ald. Geo. T. Brown of Marysville is a brother and Mrs. John G. Brown of the same place is a sister. The funeral will take place Wednesday afternoon from the late home of the deceased. Service will be held at the Baptist Church at two o'clock by Mr. Williams, assisted by Rev. Mr. Wright. Interment will be made at Penniac.

HAD RIBS BROKEN

Joseph Hazelhurst teamster for Lemont & Son was seriously hurt at the C. P. R. Station yesterday afternoon. He was unloading furniture from a car to his wagon and fell from the car to the platform and receiving other injuries. Medical aid was summoned and he is now said to be resting easily.

DIED SUDDENLY

Mrs. James Abram for many years housekeeper at Rockwood, the residence of the Odell family, died suddenly aged seventy-nine. She is survived by three brothers Hugh and Barney Foley of Newmarket and Mr. John Foley of Fredericton. The funeral will take place at 8.30 o'clock Wednesday morning with solemn service at St. Dunstan's Church by Rev. Father Carney. Interment will be made at the Hermitage.

CHARGED WITH THEFT

C. P. R. Constable Dow arrived here this morning with a man belonging to Halifax who is charged with stealing at Truro. On account of other business in the police court the case stands over until tomorrow. An assault case from Douglas is also pending.

The Easter concert is to be held in the Brunswick Street Baptist Church on Wednesday evening, April 3rd., under the auspices of The Ladies Choral Club and the Boys Orchestra.—Admission 25 cents.

C.P.R. ILLUSTRATION

FARM ESTABLISHED
AT FREDERICTON JCT.

H. P. Timmerman, Industrial Agent of Railway Buys Four Hundred Acres near C.P.R. Station at That Place

SPECIAL AGRICULTURAL
TRAIN TO COME IN JUNE

Mr. H. P. Timmerman, Industrial Commissioner of the Canadian Pacific Railway, arrived in the city last night. He reports the completion of the purchase of four hundred acres of land at Fredericton Junction, which will be used by the railway for an illustration farm, the first to be established in Eastern Canada. Other similar farms are in operation in the Northwest.

The land purchased consists of the farm of Henry Webb, who will remove to this city, and the Mitchell property adjoining. It is located directly across the north branch of the Oromocto River from the C.P.R. station and is excellently located. At present one hundred and fifty acres are cleared and as additional land is required it will be cleared. As soon as the snow leaves the ground steps will be taken to erect barns and other buildings. The house on the property will probably be used for a time as it is.

INTENTION OF RAILWAY.

Mr. Timmerman stated that steps are now being taken to secure the services of an efficient superintendent for the farm. A dairy herd of eighteen will be placed on the farm and it will also be stocked with poultry.

"The aim," said Mr. Timmerman, "is to show what intensive farming can produce in New Brunswick, to show what an ordinary farm can be made. It is not the intention to have anything ornate or fancy or to go in for stock raising. Above all things the farm is to be profitable. It would be a poor illustration if it were not. New Brunswick does not raise agricultural products in sufficient quantities to supply her own markets. For instance the C.P.R. dining cars have to be supplied with chickens from Chicago. We will have no trouble in disposing of the produce."

EXAMINATION IN

HAYES CASE BEGAN
THIS MORNING

Frank Hughes Swore Hayes Made no Threats and that James D. Blair and Wife were not in Post Office with Defendant

NO ONE APPEARED
FOR THE PROSECUTION

Police Magistrate Marsh this morning in court decided to proceed with the examination of George Hayes of St. Mary's, who is charged with attempting to commit previous assault upon James D. Blair, postmaster at that place. His Honor informed Mr. J. D. Phinney, J.C., counsel for the defence, that information in the case was laid by members of the Fredericton police force, who had arrested Hayes, and that no one else was acting in the prosecution. The police had acted in the matter on advice received by telephone from persons residing in St. Mary's. Mr. Phinney could learn on applying to the police who those persons were, as it was not intended to be kept secret. As far as proceeding with the examination was concerned, His Honor felt that in justice to the defendant, he must pursue that course.

MALICIOUS PROSECUTION.

Mr. Phinney agreed that that was the only course open to His Honor, and stated further that knowledge of the names of the persons at whose instance the charge was made, was necessary as in the event of the charge being proved groundless, his client would have grounds for taking action for malicious prosecution.

WERE NOT PRESENT.

Frank Hughes was the only witness on the stand this morning and the case continued this afternoon. Hughes' testimony dealt with occurrences of the night of Saturday, March 16th, when the attempt to assault is alleged to have been made. He swore that Hayes made no threats.
