## PRINCETON SEMINARY HAS A BIRTHDAY

Princeton, N.J., May 4--All preparations have been completed for the  
three-day celebration scheduled to  
begin tomorrow, of the centenary of  
Princeton Theological Seminary.  
Hundreds of alumni of the venerable  
institution have arrived here already  
and many more are expected to ar-  
rive here before the beginning of the  
commemorative exercises tomorrow.  
According to the program, the exer-  
cises will begin tomorrow forenoon  
with a historical sermon by Presi-  
dent Patton, followed by the admin-  
istration of the Lord's Supper. The  
afternoon service will be at four  
o'clock, and the speaker will be the  
Rev. Dr. John Dixon, a trustee of  
Princeton. President Ethelbert D.  
Warfield of Lafayette College, will be  
the speaker in the evening.

Commencement exercises will take  
place on Monday. In addition to the  
usual program, there will be two  
special addresses by moderators of  
the general assemblies of the North-  
ern and Southern Presbyterian churches  
which, before their division, were  
together concerned in the establish-  
ment of the seminary. The after-  
noon session will be given over to  
three addresses reminiscent of the  
history of the institution. The day  
will close with a dinner for the al-  
umni, followed by speeches under the  
auspices of the Alumni Association.

On Tuesday morning there will be  
three addresses by speakers who  
have been invited from abroad for the  
occasion. In the afternoon a  
commemorative dinner will be held,  
followed by speeches of greeting and  
congratulation from the representa-  
tives of the general assembly, from  
the laity of the Presbyterian and  
other churches and seminaries, to  
which President Patton will respond.  
The list of the speakers includes Dr.  
John F. Carson and Dr. Russell  
Cecil, Charles Beatty Alexander,  
L.L.D., of New York; Robert E.  
Speer, a secretary of the Presbyter-

ian Board of Foreign Missions; the  
Rev. William H. Johnson of Lin-  
coln University; the Rev. J. H. Dul-  
les, president of the Alumni Associa-  
tion; the Rt. Rev. Principal Alexan-  
der Stewart, of St. Mary's College,  
St. Andrew's; the Rev. James Wells,  
moderator of the Presbyterian church  
in Scotland; the Rev. John MacMil-  
lan, moderator of the Presbyterian  
church in Ireland; Bishop Graer of  
New York, and President Hibben of  
Princeton University.

Princeton Theological Seminary is  
the third oldest purely denomina-  
tional seminary in the United States.  
The oldest is the theological seminary  
of the Dutch Reformed Church in  
America at New Brunswick, found-  
ed in 1784. Then comes Andover  
Theological Seminary, a Congrega-  
tional institution, which, however,  
was made a department of Harvard  
University in recent years. Princeton  
Seminary was established by the  
General Assembly of the Presbyter-  
ian Church in 1812, after an agree-  
ment had been reached with Prince-  
ton University, regarding the rela-  
tions between the college and the  
seminary. The Rev. Archibald Alex-  
ander, then pastor of the Third Pres-  
byterian Church, Philadelphia, was  
made professor of Didactic and Pole-  
mic Theology and inaugurated in  
August, 1812. The seminary opened  
that autumn with three students,  
who attended lectures in Dr. Alex-  
ander's study. Before the session  
closed eleven more students were en-  
rolled. The seminary grew rapidly  
and in 1815 the general assembly  
found it necessary to provide for a  
suitable building. Alexander Hall  
was built in the following year, at a  
cost of \$47,000. It is now used as a  
dormitory. In 1824 the graduating  
class numbered sixty-two. That same  
year a state charter was obtained  
and since then a number of other  
buildings for the uses of the institu-  
tion have been erected.

### CALGARY MILLIONAIRE DEAD AT SIXTY-ONE

Calgary, Alta., May 6--Felix A.  
McHugh, millionaire, who built one  
of the first structures in Calgary, died  
today aged sixty-one years. He was  
born in Ottawa, came west in 1883  
and made a fortune in railway con-  
tracts.

Mr. Robert Biggs of Stanley whose  
name is mentioned in connection with  
the vacant position of Jailer, is in  
the city.

#### LOWER PRINCE WILLIAM

May 3--Miss Strange, who has been  
visiting friends here for the past two  
weeks returned to Kingsclear Wednes-  
day.

Mrs. Richard Parent of Dumfries is  
the guest of Mrs. James Miller.

George W. Burden has sold his farm  
to Mr. Love of Pokio.

Mrs. David Burden is visiting her  
sisters in Boston.

Alvin Charters of Fredericton was  
here last Monday to secure men for  
rafting his lumber which was cut at  
Lake George last winter.

Tyler Sawyer of Woodstock is  
spending a few days with his parents,  
Mr. and Mrs. Thomas Sawyer.

H. L. Lounsbury made a business  
trip to Harvey yesterday.

E. W. Hoyt went to Fredericton  
this morning with his lumber.

#### GIVING AWAY SPACE

The publisher of a paper must  
live as well as the clothier, the  
dry goods man or the grocer. To  
get the where-with to live he has  
one thing to sell and another to  
rent. He sells his papers and he  
rents the space in his columns.  
These are his principal sources  
of income, and can anyone in-  
form us why he is expected to  
give either away? He can, of  
course, do so if he chooses and  
as a matter of fact he does  
furnish a good deal of his space  
rent free. But it does not fol-  
low that he ought to be expect-  
ed to do so as a matter of  
course, and further, when once  
he does, it ought to be recog-  
nized as a contribution just as  
much as the sugar and coffee  
given by the grocer. But it is  
not generally looked at in that  
light; yet everybody knows that  
the very existence of a news-  
paper depends upon the selling  
of space as much as the mer-  
chant's success depends upon the  
sale of his goods. There is  
just as much reason for the  
merchant giving his goods  
away free as there is for the  
publisher, and yet there are peo-  
ple who wish the paper to boost  
them but who bestow their  
patronage elsewhere.

### FUNERAL SHIP MINIA ARRIVES AT HALIFAX

(Continued from page one.)

Halifax, May 6--The Minia had on  
board fifteen bodies. The Rev. H. W.  
Cunningham, rector of the St.  
George's Church, who accompanied  
the Minia on her quest in the Atlan-  
tic gave an interesting account of her  
trip, and a fact which is worthy of  
heroic special note in connection with  
the seventeen bodies recovered in  
this. So far as could be judged by  
the ships doctor, there was about one  
among the seventeen who died of  
drowning. In the case of the other  
sixteen it was caused by exposure and  
did not ensue for some four hours af-  
ter the sinking of the ship. News of  
the kind must give those who manned  
the lifeboats and passing steamers  
some unenviable recollections. The  
Minia says Mr. Cunningham had  
rough weather. There were but two  
fine days, and only two meals with-  
out the "fiddles" on the table. I  
myself saw only two icebergs, one  
of them shaped like a great tent, with  
two sprawling branches protruding  
from its base. The officers told me  
that they, however, sighted a number  
of bergs in the distance. We reached  
the scene of the wreck at nine o'clock  
Thursday night. About ten minutes  
to nine I asked Captain Decarteret  
about how long it would be before we  
arrived there. He told me, and I  
went below and put on my surplice  
and the whole ship company assemb-  
led, speaking only in whispers. I can  
give you no idea of the feeling aboard  
ship as we realized that we were at  
last on the scene of that stupendous  
catastrophe which the whole world  
is mourning. I conducted a solemn  
memorial service composing a special  
prayer therefore and we then disper-  
sed to our several duties.

"The bodies we recovered were  
found miles apart from each other,  
and such success as we attained was  
due to expert navigation and good  
luck."

All the bodies were taken from the  
Minia on arrival, and were removed  
to the morgue.

### MARYSVILLE TOPICS

Marysville, May 6--Professor Wat-  
son of Mount Allison University,  
Sackville on Sunday preached very  
able sermon for Rev. J. C. Berrie  
who is still unable to take his ap-  
pointment.

Rev. Dr. Watson is a guest at the  
Methodist Parsonage.

The Active Workers Mission Band  
of Marysville Methodist Church are  
to be congratulated upon having a  
very successful year. The following  
have for some time have been Life  
Members--Miss Cadwallader, Miss  
Nellis Brawer, Miss Alta Libby, Mr.  
Albert Libby. Miss Ethel May aged  
nine years daughter of Mr. and Mrs.  
Richard Gorman of Marysville, has  
this year become one also and has  
been presented with a certificate of  
life membership sent by Mrs. Ross of  
Toronto.

At All Saints Church Sunday  
morning Rev. Mr. Lake preached a  
very interesting sermon to a large  
congregation.

Mrs. Geo. Cowie and Miss Katie  
Berry left Saturday morning for a  
trip to New Bedford where they ex-  
pect to spend a month with their  
sisters the Misses Maggie and Lizzie  
Berry.

The many friends of Mr. Malcolm  
Dennison will be sorry to hear he is  
confined to his home with quinsy.

Miss Dorothy Richardson was very  
much pleased when her school teach-  
er Miss Hallett and a number of pu-  
pils presented her with a lovely bou-  
quet of flowers, Miss Dorothy has  
been confined to her home with a  
sprained ankle.

### MANY LIVES LOST

(Continued from page one.)

When the second section arrived the  
water was rushing over the track  
about two feet deep. An attempt  
was made to reach the other side of  
the washout, but about half way  
across the track gave way and the  
caboose, with three cars, toppled  
over. Occupants of the derailed cars  
were thrown into the water but es-  
caped without injury. When the first  
section of the relief special sped  
through the water which was run-  
ning over the rails just north of  
Morgansea, scores of people were seen  
wading waist deep in water near the  
railroad embankment, signalling the  
train to stop. The water was rising  
so rapidly that those in charge of  
the train decided it would imperil  
the lives of all those on board the  
train to delay. It was not stopped.  
In some instances force had to be  
employed in getting people out of the  
danger zone. One family, consisting  
of a man, woman and a two-year-old  
boy, refused to leave their cabin.  
They were picked up bodily and car-  
ried to the train. After being placed  
on board the boy became so fright-  
ened that he jumped through an open  
window, but was recaptured. Urgent  
appeals for boats to be used in rescue  
work have been sent to Governor  
Sanders at New Orleans, the steamer  
city of Shreveport, and the shipment  
of a dozen skiffs are due to arrive in  
Batchelor today.

## A Step up Awaits the Person Ready for It

When something holds one back, the cause is often found to be  
an unsuspected habit--such as tea or coffee drinking.

**Caffeine**, the drug in tea and coffee, interferes with digestion; has  
a destructive effect on nerves and brain and causes various ills which  
handicap one's physical and mental power.

If this is found true in your case, the thing to do is to quit the cause  
---tea or coffee---and shift to

## POSTUM

It is a palatable beverage made of wheat and contains rich food  
elements--including the natural Phosphate of Potash, especially requir-  
ed for rebuilding the tissue cells of nerves and brain.

Postum is a rebuilder, and
