SCHOFIELD LED THE POLL

Citizens' Candidate
for Mayor Shut out
in St. John Pri-
maries

T. H. Bullock and the Present Incum-
bent will Fight it out--Norman
McLeod a Loser

St. John, April 10—With the loss
of their candidate for Mayor owing
to the forces of commission being di-
vided, the citizens' ticket otherwise
received a sweeping endorsement in
the primaries for the civic elections
yesterday, getting three of their candi-
dates in the first four polling an
aggregate majority over those left on
the second ballot with them of 1530
votes.

W. Shives Fisher was eliminated
from the mayoralty contest for the
need of 36 votes, this being the lead
of Mayor Frink over the citizens' can-
didate, while T. H. Bullock led the
present mayor by 689 votes.

Herbert B. Schofield led the field
with a total vote of 2,516, a major-
ity of 299 over H. B. McLellan, the
next highest man, and a lead of
1,169 over Ald. F. L. Potts, the low-
est man of the eight now qualified
for the finals. Following Mr. McLe-
llan, who received 2,217, came Miles
E. Agar and Clarence B. Allan, both
of the citizens' ticket, with 2,151 and
2,078 respectively. The next highest
man is Ald. Wigmore, who was 231
votes behind Mr. Allan.

Walter W. Allingham, the repre-
sentative of labor on the citizens' tick-
et, also polled a splendid vote, al-
though he was under heavy handicap
owing to there being two other west
side men in the field, and as these
are both eliminated in the second
contest there is little doubt that he
will receive a big influx in his vote
two weeks hence. He received yester-
day 1,584 votes or a majority of 237
over Ald. Potts, so that he had
plenty to spare.

Ald. McGoldrick succeeded in re-
maining in the fight as he received
1,338 votes, or 1,108 behind the high
man on the citizens' ticket.

Ald. Potts is the eighth man with
1,347 votes, having just 100 to the
good over Ald. Scully, who polled
1,247 votes. Ald. McLeod was tenth
man with 1,018 votes, ex-Ald. Sproul
got 861, Ald. J. B. Jones 840, while
George Maxwell, the candidate of the
Independent Labor party, received
799 votes. One of the surprises of
the campaign was the poor showing
of Ald. Green, who received only 253
votes all over the city. John Sime
ran close to Fred Hyatt for cellar
honors, Mr. Sime receiving 125 votes,
while 114 marked their papers for the
Socialist candidate.

ANALYSIS OF VOTE

An analysis of the vote shows that
5,811 ballots were counted in the
mayorality contest, besides a large
number of spoiled ballots. This is a
very good showing for a primary
election out of about 8,400 qualified
electors. Ex-Mayor Bullock received
2,412 votes, Mayor Frink 1,727 votes
and W. S. Fisher 1,692, so that the
combined vote against Mr. Bullock is
3,419 or a majority of 7,097.

The vote for Mayor stood:—

LORD STRATHCONA IMPROVED

London, April 10—Lord Strathcona
has recovered sufficiently to leave
town for a fortnight, at Debenham
Hall.

M. CARVELL HONORED

Eloquent M. P. for
Carleton Banquet-
ted by Friends
at Hartland

Two Hundred Representative Liberals
will be Gathered around the
Festive Board

(Special to The Mail)

Hartland, April 10.—Mr. F. B. Car-
vell, the able representative of Car-
leton in the House of Commons, was
the guest of honor at a banquet ten-
dered him by his supporters in the
Forester's Hall here last evening.
The attendance numbered about two
hundred, nearly every polling dis-
trict of the county being represented.

Mr. F. R. Shaw, president of the
Carleton County Liberal Association,
was chairman, having the guest of
the evening on his right and Mr.
George W. Upham, M.P.P., on his
left.

Mr. R. B. Owen looked after the
catering and served an excellent re-
past, which came in for ample justice
at the hands of those present.

After the usual loyal toasts had
been honored, the chairman proposed
the health of the guest of the evening
and in doing so paid a well deserved
tribute to his worth as a sturdy Lib-
eral and worthy representative of the
county.

Mr. Carvell, who was accorded a
tremendous ovation on rising to re-
ply to the toast, spoke eloquently
for nearly three-quarters of an hour.
He briefly reviewed the work of the
Liberals at Ottawa during the late
session of parliament and incidentally
paid his respects to the pledge-
breaking Tory government. He de-
voted considerable attention to the
subject of reciprocity which he de-
clared was still very much alive. He
thought that closer trade relations
with the United States would be
manifestly in the interests of Car-
leton County and he urged the Liberals
to continue the agitation. Mr. Car-
vell's speech was frequently punctuated
by applause.

A toast to the local opposition,
proposed by Mr. C. M. Shaw, brought
forth a vigorous address from Mr.
Upham.

The Carleton Liberal Association,
proposed by Mr. Frank Hagerman,
was ably replied to by Chairman
Shaw.

The proceedings came to an end at
a late hour with the singing of the
National Anthem.

NAVIGATION OPENING LATER THAN USUAL

Montreal, April 10—According to
the calculations of old river pilots,
tion on the St. Lawrence route to
these little likelihood that naviga-
tion on the St. Lawrence route to Mont-
real will be open before April 26th,
at the earliest. Their opinion is based
upon the unusual thickness of the ice,
which runs around three feet
and the backward spring. The Rich-
lieu River is used as a measure, since
it is generally about a week after
the departure of the Richlieu that
the Montreal ice goes out. The ice
in the Richlieu still holds solid, with
indications that it might be several
days yet before it moved, so that
according to precedent, the Montreal
ice is booked to remain here for a
week or two yet.

KAISER MAY VISIT ENGLAND IN JUNE

London, April 10—It is again affirm-
ed that the Kaiser will visit Eng-
land in June. It is stated further
that while here he will be the guest
of Lord Londsdale. The Kaiser and
the Earl of Londsdale are close per-
sonal friends. The latter went to
Potsdam some months ago, during
the friction between Great Britain
and Germany and tried to smooth
the troubled waters by giving out a
short account of his interview with
the German Emperor, who, he declar-
ed, has nothing but the most friend-
ly feelings toward Great Britain.

Mr. S. C. Wright of Montreal is
at Windsor Hall.

TRADE TREATY ARRANGED WITH BRITISH WEST INDIES

Negotiations which have been Going on at
Ottawa for Some Time have been Suc-
cessful--Official Statement Handed out
--Treaty Provides for an Exchange of
Products on a Generous Scale--Improv-
ed Cable and Steamship Service Talked
of now

Ottawa, April 10—Before the Duke
of Connaught, the reciprocity treaty
between Canada, the British West
Indies and British Guiana was signed
at 3.30 this afternoon. A memoran-
dum was subsequently issued, but no
details as to the commodities includ-
ed in the agreement were given with
it.

The official statement reads:

"An agreement was signed today
by the representatives of the West
Indian colonies and the government
of Canada. It was the result of five
days sitting in conference and a deal
of steady work done outside the con-
ference by sub-committees.

"The agreement is made for a term
of years, and revocable at the end
of the period named therein on one
year's notice.

"It includes exchanges of products
on a wide and generous scale and is
based on a preference of each country
in the markets of the other.

"The agreement goes to the govern-
ments of the colonies included for
consideration and comes into effect
when approved by both the Dominion
and colonial legislatures and His
Majesty's secretary of state for the
colonies. It will be possible for all
these to consider and decide on the
agreement to go into effect before the
beginning of the year 1913.

"The agreement is between Canada
and the interested colonies alone, and
leaves both with complete liberty to
adjust their tariffs as respects all
other countries. Grenada, the Baha-
mas, Bermuda, Jamaica and the Brit-
ish Honduras are the only West In-

dian colonies that are not included,
and for these the latch string is left
on the outside of the door, and the
lamp kept burning in the window,
with a warm welcome certain for
them when they come.

"The questions of improved cable
and steamship communications be-
tween Canada and the West Indies
were carefully considered and the
views of the conference were embodied
in resolutions and unanimously pas-
sed. The objective of these resolu-
tions is to effect an up-to-date and
adequate cable and steamship con-
nection, based upon the co-operation
of the West Indian colonies, the Domi-
nion of Canada and the government
of Great Britain.

"Inasmuch as the agreement is to
be submitted to the various govern-
ments concerned for their considera-
tion and approval, it is not advis-
able to give the details thereof at
present to the public."

The Canadian government will now
turn its attention to negotiating
similar trade agreements with Aus-
tralia and South Africa and prelimi-
nary pour parlers looking to confer-
ences this coming summer to conduct
negotiations are now in progress.

No definite replies from either Aus-
tralia or South Africa have yet been
received by Hon. George E. Foster,
who is in charge of the proposals of
the Canadian government, and it is
doubtful if any tangible results can
be achieved this year, owing to con-
flicting interests and opinions in the
commonwealth and in the South Af-
rican dominion.

FRASERS LTD. MAY ERECT PULP AND PAPER MILL

Bill to Incorporate St. John and Que-
bec Railway Bridge Co. Agreed to
with Amendments

The Corporation committee met
this morning and agreed to the bill
relating to the Carleton County
hospital.

The bill to incorporate the St.
John and Quebec Railway Bridge Co.
was discussed at length. Mr. Gould
appeared in support of the bill and
said that the company had complied
with the requirements of the Domi-
nion Government in respect to the
terms of construction. The bill was
amended to provide that the com-
pany shall be bound in all respects
by the agreement to lease by the
federal Government to the same ex-
tent as the same is binding on the
St. John and Quebec Railway Co.
The bill was agreed to with amend-
ments.

The bill to amend the act incorpo-
rating Frasers Ltd. was then consid-
ered. Mr. R. B. Hanson appeared in
support of the bill and said that
the company desired to erect a
pulp and paper mill. Mr. Wilson
thought that the land owners should
receive sufficient notice that the com-
pany desired expropriation privileges.
This view was concurred in by
Messrs. Sweeney and Bentley. Pro-
gress was reported on this bill and
also on the bill to amend the act
incorporating the Central and North
eastern Railway Co.

The committee adjourned at 1
o'clock.

Case--Another against him was
Withdrawn

In the York County Court this af-
ternoon in the suit of Henry W. Cur-
rie vs. John A. Hudlin, a verdict was
brought in for the defendant, the
jury being out about a quarter of an
hour. The suit of Henry W. Currie
and Henry Whearty vs. John A. Hud-
lin was withdrawn. Mr. O. S.
Crocket, M. P. appeared for the de-
fence and Mr. P. J. Hughes of Mc-
Lellan & Hughes for the plaintiff.

Both suits arose out of the burn-
ing of a wagon and a hay-press last
autumn, near the home of Hudlin in
Sumbury County. Currie was inter-
ested in the wagon and both he and
Whearty in the hay-press. It was al-
leged that the property had been
burned by Hudlin, but evidence to
that effect was not forthcoming.

THE PURITY CAMPAIGN

Was Inaugurated in
Toronto Last Night
at Monster Mass
Meeting

Drastic Amendments to the Criminal
Code Suggested--Will Tour Big
Cities of America

Toronto, April 10—Five amend-
ments of the Criminal Code of Can-
ada, were recommended by a mass
meeting of citizens in the Metropol-
itan Church last night, in connection
with Toronto session of the World's
Purity Federation Commission which
is touring America. The amendments
desired are as follows:

1. Raising of the age of consent to
15 years of age.
2. Making of adultery and wife de-
sertion offences in law.
3. Putting upon those of both sexes
found in any house of shame, the
onus of proving that they have legiti-
mate cause for being there.
5. Making it an offence for anyone
to have in his possession whether
for sale or not, any immoral or ob-
scene prints.

A resolution was passed endorsing
the teaching of sex hygiene in schools
and colleges.

The double standard of morals was
vigorously condemned. Rev. Ernest
Bell, superintendent of Midnight Mis-
sion Chicago, told of having pre-
sented Toronto all over America in the
strength of Inspector Archibold's
signed statement that there were only
20 houses of ill fame in Toronto.

"God forgive me for a fool," ex-
claimed Mr. Bell, for he had discover-
ed that this was one of many mis-
takes about conditions in Toronto.

Starting at Toronto the commis-
sion will visit twenty nine cities,
including Ottawa, Moncton, Truro,
Sydney and St. John in Canada.

PUGILIST JOHNSON NO LONGER A MASON

New York, April 10—A London
cable says Jack Johnson is to be no
longer a free mason. The pugilist was
initiated in the Dundee lodge some
months ago. This gave rise to con-
siderable discussion and the provin-
cial grand lodge officials appointed a
special committee to hold an inquiry.
The committee report says that the
meeting of the lodge at which the
initiation took place was illegal and
that therefore the election is null and
void. The Dundee lodge will be asked
to show cause why he should not be
suspended.

A WOMAN IN THE LEAD

Sport of Suffraget-
ting Got a Decided
Boost in Montreal
Today

Mrs. Simar Bought Thousands of Dol-
lars Worth of Land at C.N.R.
Townsite Sale

Montreal, April 10—The gentle
sport of suffragetting got a boost this
morning when a mere woman beat
all the men to it for the opening sale
of lots for the Canadian Northern's
new townsite back of Mount Royal.
Mrs. A. P. Simar was the first pur-
chaser to arrive an hour before the
sale was scheduled to start and she
brought her husband along.

The energetic woman was one of
the first and one of the largest buy-
ers during the early morning rush.
Within thirty minutes she had bought
almost as many thousand dollars
worth of land in the new townsite
and had given her check for one
eighth of the total value of lots
purchased as a first payment. As
sae was leaving the C.N.R. building,
a photographer tried to snap her
but apparently the lady did not re-
lish the idea of figuring as the sub-
ject of a newspaper paragraph and
told the photographer so at some
length, while her husband laughed.

Although the rush never at any
time reached western dimensions, dur-
ing the morning, at nine o'clock Mr.
Darling estimated that one hundred
thousand dollars worth of lots had
been sold, and expressed the belief
that one million dollars would be
sold before the close of the day.

BAD ACCIDENT ON THE CEN- TRAL RAILWAY

(Special to The Mail.)

St. John, April 10—An accident on
the Central Railway, which endan-
gered from forty to fifty lives, occurred
this morning at Cody's. The bridge
over the Washademoak River collaps-
ed while the train from Norron to
Chipman was crossing and four coal
cars fell into the water. The train
was a mixed one with a well-filled
passenger car in the rear. The en-
gine did not leave the rails, and the
passenger car was saved by the
breaking of the trucks in the freight
car immediately in front of it.

A wrecking train was despatched
from Minto to the scene of the acci-
dent.

The passengers were taken across
the river in boats.

TEDDY BEAT TAFT IN CHICAGO PRIMARIES

velt defeated President Taft in the

votes and Speaker Champ Clark re-
ceived a majority of more than 140,
000 than Woodrow Wilson according
to returns today. Chas. S. Dineen has
been nominated for Governor for the
consecutive term by the republicans
his plurality being estimated at 75,000
Edward F. Dunn, former mayor of
Chicago, received the nomination for
governor on the democratic ticket by
a plurality close to 30,000. Owing to
the length of the ballot it is expect-
ed that another 24 hours will be re-
quired to complete the count.

ral formerly Miss Ella Barker of
