So many persons say, when a hot drink is recommended, "Yes, I might take a hot drink if I could get anything but gruel—that I cannot take." Even gruel may be made a pleasant and tempting drink by taking extreme care in making it beautifully smooth and thin, and varying the flavoring. All such drinks should be daintily served in a nice thin-edged china mug or glass; failing these, a nice cup is very suitable.

**FORTY-NINE**  
**MANAGERS SINCE**  
**SEASON OF 1903**

Many Changes have Taken Place among National and American League Clubs in Nine Years

Since the season of 1903 no less than forty-nine men have managed clubs in the American and National Leagues. Some of these men have drifted from one club to another in the same circuit, and have occasionally transferred their operations to the other league. The clubs, the managers and the order of their succession follows:

National League—New York, John Graw; Chicago, Frank Seale, Frank Chance; Pittsburgh, Fred Clarke; Philadelphia, Charlie Zimmer, Hugh Duffy, Billy Murray, Charley Doan; St. Louis, Patsy Donovan, Charley Nichols, Jimmy Burke, John McCloskey, Roger Bresnahan; Cincinnati, Joe Kelly, Ned Hanlon, John Gansel, Clark Griffith, Hank O'Day; Brooklyn, Ned Hanlon, Patsy Donovan, Harry Lumley, Bill Dahlen; Boston, Al Buckenberger, Fred Tenney, Joe Kelly, Frank Bowerman, Harry Smith, Fred Lake, Fred Tenney, John Kling.

American League—Philadelphia, Connie Mack; Detroit, Ed Barrows, Bill Armour, George Stallings, Hugh Jennings; Cleveland, Bill Armour, Nap. Lajoie, Jim McGuire, George Stovall, George Davis; Boston, Jimmy Collins, Chick Stahl, Bob Uglab, George Huff, Jim McGuire, Fred Lusk, Patsy Donovan, Jake Stahl; Chicago, Clark Griffith, Jimmy Callahan; Fielder Jones, Billy Sullivan; Hugh Duffy, Jimmy Callahan; New York, Clark Griffith, Norman Elberfeld; George Stallings, Hal Chase, Harry Wolverton; Washington, Tom Loftis, Jake Stahl, Joe Cantillon, Jim McAleer, Clark Griffith; St. Louis, Jim McAleer, Jack O'Connor, Ruddy Wallace.

## CARPENTIER MATCHED WITH LEWIS

New York, April 1—Georges Carpentier, the welterweight champion of France and the holder of the middleweight title of England, has been matched to fight Willie Lewis of this city in Paris on the night of April 24. The bout will be a 20-round affair. Both men have agreed to make 160 pounds ringside. Lewis will sail for France next Saturday.

Carpentier is the sensational boxer of Europe. He is only 19 years of age. A few weeks ago at Monte Carlo, before a fashionable crowd of men and women, Carpentier won the middleweight title by knocking out Jim Sullivan, the English champion, in less than two rounds.

## HORINE'S RECORD STANDS

New York, April 1—Seldom has a record performance on the track or field caused so much comment as that of George Horine, the young Californian, who hung up a new world's mark in the running high jump at Stanford University field last Friday, when he did 6 ft. 6 1/2 in.

That Horine's record will stand was the official announcement made today by the Amateur Athletic Union.

## HOOF BEATS

Will Durfee will bring only six head East, but he writes that they look to be a high class lot. Tom Grady has shipped Lady Green Goods and half a dozen others to Detroit from Philadelphia. Akar and Grand Opera are the stake pacers that seem to be the most feared by trainers who follow the big line.

Castle Dome 2:14, goes into the stable of J. L. Dodge, the Orangeburg, N. Y. amateur, for a trip. The American Register Association credits 27,711 trotters with records of 2:30 or better and places 19,813 pacers in the 2:25 list.

Dick McMahan has bought Lamarck Jr., 2:15 1/2, and with him expects to land a piece of the professional drivers' stake at Pittsburgh. Ardelle, 2:04 1/2, is getting along well with her broken leg and will soon be shipped to Illinois to be bred to Free Advice, 2:10 1/2.

Wilmering 2:12 1/2 may be sold to the Government, but for what purpose it is not stated. Perhaps Uncle Sam is going in for raising huddlers.

A green trotter entered in one event a week through the Grand Circuit can start the campaign eligible to more than \$100,000 in purses.

Charles Lassell bought a couple of likely pacers at the Indianapolis sale last week, Howtella, 2:14, and Lew Perkins, with a trial of 2:07 1/2.

**PURSES DIVIDED**  
**ON NEW PLAN AT**  
**ROCKINGHAM**

Under this Arrangement First, Second, Third and Fourth Money is Increased to Large Extent

(Boston Globe)

Detroit hangs up \$3000 for the 2:10 trotters and \$2500 for the 2:05 pacers, while at the Rapids the fast pacers get \$2000, as do the 2:07 trotters. Sec. Moore is very enthusiastic over the prospects and looks for a heavy entry with the best season of racing ever known in sight.

The newcomer in the Grand Circuit, Rockingham Park, Salem, N. H. through its enterprising secretary W. L. Duntley, offers conditions sufficiently liberal to attract an excellent list of entries to the various early closing events next week.

Duntley is practically the first track manager who, following the rules of other sports or public shows, does not believe in taxing a performer because it is good enough to win, consequently in all of his six early closing events nothing will be deducted from the winners.

Under this condition, therefore, horses winning first second, third and fourth moneys each will save 5 per cent, or the association donates to owners exactly 20 per cent of the total \$16,500, or a clean profit of winnings amounting to the sum of \$3300.

Under the Rockingham conditions, entries can be kept eligible to the purses as late as June 20 at a cost of 1 1/2 per cent.

Sec. Duntley also divides the purses on an entirely new plan, that really follows the idea of giving winners a better chance. He allows 54 per cent to the first horse, 25 per cent, to second, 15 percent to third and 6 percent to fourth. A tabular comparison shows how net winners work out on the Granite State \$5000 purse.

First horse	\$2000	\$2450
Second horse	750	1000
Third horse	250	500
Fourth horse	6	50

## JOE HYLAND KNOCKED OUT

Utica, N. Y., April 1—Bobby Wilson of this city knocked out Fighting Joe Hyland of New York in the second round of what was to have been a 10-round bout. Wilson landed a stiff left under the heart and followed it with a right jolt to the jaw which put Hyland down for the count. It was announced prior to the bout that Leach Cross would meet the winner.

Young Shaffer of Utica shaded Kid Myers of Albany in the preliminary.

## BASEBALL NOTES

According to reports from the Washington training camp Pitcher Tom Hughes' injured hand is as good as ever.

Steinfeldt or Smith will play third base for the St. Louis Cardinals in case Mike Mowrey fails to report. Mike is holding out for more coin.

Manager McGraw of the Giants says that there is no occasion for any of his new men even the pitchers to make the first-string outfit of the team this year.

Rumor has it that Hank Perry, now with the Detroit Tigers, will be sent back to the Providence Club. Perry headed the International league in batting last year and was considered one of the finds of the season.

A new pitcher "Lefty" Kellogg has joined the Pittsburgh Pirates. Kellogg is six feet three inches tall and built in proportion, weighing now 208 pounds. He has been pitching in the Panama Canal Zone for about a year.

During the recent damp spell the youngsters with the Cubs, "with nothing to do till tomorrow" rolled so many cigarettes, according to Manager Chance, that he was compelled to "call" them. The Peerless leader allows the veterans to do as they please but the infants have to behave.

Buffalo has made the White Sox an offer for "Lena" Blackburne but if he goes out of the big league the chances are that he will land with Hugh Duffy's Milwaukee team. Blackburne cost the White Sox \$11,000 two years ago, but has never been able to catch the step with the Comiskey crew.

June will be the banner racing month of the year in Canada and some trainers from this country are likely to go after some of these \$1000 purses.—Boston Globe.

Ed. Geers plans to give his horses their final prep at Libertyville, but Harry Devereux is trying to have his ship to Cleveland when he leaves Memphis.

**CROWD DISPLEASED**  
**BY DECISION AGAINST**  
**OWEN MORAN**

Englishman put Mandot to Floor for Full Count in Second Round but Lost Bout

Memphis, Tenn., April 1—Owen Moran hooked his famous left rush to the face, sending Joe Mandot, the Southern lightweight aspirant, to the floor for the full count in the second round of their eight-round bout tonight before the National A. C.; but Mandot had won the first round and carried the bout on to the finish, which gained him the decision, against protests from a horde of Moran sympathizers.

Mandot suffered not only his first knockdown in a local ring, but bled for the first time, from left books dealt out in rapid-fire fashion during the second round. The Southerner, however, showed he was game by forcing the boxing in every round after the second, and he landed almost two for one. He drew blood from Moran's mouth in the first, third and seventh rounds, but never approached a knock-out.

Moran made a disappointing showing. With the exception of the second and eighth rounds Mandot out-boxed him and forced the Englishman to back up several times.

## WALTER WARWICK AT LOWELL

Lowell, April 1—Two of the ball players of the Lowell team of the New England League, Walter Warwick, a pitcher, and "Pop" Rising, a left fielder, reached here today and began practice at Spalding Park. Manager Gray says his pitchers have orders to report this week. Jake Boutles, third baseman last year will reach here Thursday.

## SOUTH'S EDUCATION MEET

Nashville, April 2—The fifteenth annual meeting of the "Conference for Education in the South" will assemble in Nashville tomorrow for a three days' session. This organization, which was formed at Capon Springs in 1898 is one of the most unique in the South. Its underlying idea is to interest laymen in education as a civic responsibility. Within its membership are business men, professional men, college men, and, in fact men of nearly every walk of life. Affiliated with it are several organizations of educators, which hold their meetings at the same time and place.

Among the prominent persons who have prepared addresses or papers for the present conference are: President Robert C. Ogden of New York, Secretary of the Interior, Walter L. Fisher, Congressman Mart. W. Littleton of New York, St. Clair McKelway of Brooklyn, President David F. Houston of Washington University, President S. C. Mitchell of the University of South Carolina, Senator Joseph W. Bailey of Texas, President Charles W. Dabney of the University of Cincinnati, Bishop Thomas F. Gailor of Tennessee, and Jacob M. Dickson, former Secretary of War.

**John A. Smith and his Remarkable Rheumatism Remedy**  
**Cured Himself First and now proposes**  
**to Cure the world.**

**Cured Many Cases of 30 to 40 Years Standing**

On the theory "that seeing is believing," John A. Smith of Milwaukee, wants everyone to try his remedy for the cure of rheumatism at his expense. For that reason he proposes to send a 50c. box FREE to every one who will enclose this advertisement and send name and address. Mr. Smith has suffered all the agony and torture from rheumatism, tried all the remedies known, and yet utterly failed to find relief.

JOHN A. SMITH

At times he was so helpless that he had to take morphine and after considerable doctoring he gave up in despair. He began studying into the causes of rheumatism, and after much experimenting, finally found a combination of drugs which completely cured him. The result was so beneficial to the entire system that he called his new found remedy "Gloria Tonic". Those of his friends, relatives and neighbors suffering from rheumatism were next cured and Mr. Smith concluded to offer his remedy to the world. But he found the task a difficult one as nearly everybody had tried a hundred or more remedies and they couldn't be made to believe that there was such a thing as a cure for rheumatism. But an old gentleman from Seguin, Texas, U. S. A., wrote him saying if Mr. Smith would send him a sample he would try it, but as he had suffered over thirty years and wasted fortune with doctors and advertised remedies,

he decided to try it. He found it worked like a charm. He wrote Mr. Smith, "I have been cured of my rheumatism and I am now able to do my work and enjoy life." Mr. Smith then sent him a 50c. box FREE also his illustrated book on rheumatism, absolutely free of charge to any reader of The Mail for he is anxious that everybody should profit by his good fortune. Simply tear out this advertisement and send it together with your name and address, to

dies, he wouldn't buy anything more until he knew it was worth something. The sample was sent, he purchased more and the result was astonishing. He was completely cured. This gave Mr. Smith a new idea and ever since that time he has been sending out free sample boxes to all who apply.

At the U. C. College, Toronto, it cured Mrs. J. Whitley, who had suffered excruciatingly. Fred K. McDonald writes from Sunny Brae, N. S., that "Gloria Tonic" has cured him of a case of rheumatism of many years' standing. From Ambrose M. Melanson, Meteghan River, Digby County, N. S., comes a letter that he been cured of a severe case.

Even the first sample box cured Mrs. B. Brett, and 12 Powell St., Guelph, Ont. Two boxes left Mrs. Geo. Wright, of Coaticook, Que., well and happy.

herself because of rheumatism, but that "Gloria Tonic" has completely cured her. Mrs. T. Delina, West Plain, Ont., writes that she could scarcely dress cured her. Mr. George Lees, of Dundas, Ont., says that he tried many different remedies, but found no relief until he tried "Gloria Tonic," while Clarence A. Scott writes from Tooleton, N. B., that he feels that he owes his life to this great remedy.

A case of 13 years' suffering is reported by James McFarlan, of L'Amable, Ont., but "Gloria Tonic" cured it quickly. Even prominent physicians have to admit that "Gloria Tonic" is a positive success, among them Doctor Quintero of the University of Venezuela, to whom it was recommended by the United States Consul. In hundreds of other instances (the result has been the same. It cured many cases which defied Hospitals, Drugs and Electricity, among them persons of upwards eighty years of age.

Mr. Smith will send a 50c. box FREE also his illustrated book on rheumatism, absolutely free of charge to any reader of The Mail for he is anxious that everybody should profit by his good fortune. Simply tear out this advertisement and send it together with your name and address, to

In advising the use of hot water a medical writer says the advantage of it is that when taken a half-hour before meals it draws the blood to the stomach and stirs it to activity. With many people it seems to work like a charm. It is good for the inactive and the dyspeptic.

An invaluable recipe for curing scalds and burns is common salt applied loosely in a cloth, covering the affected part to exclude the air.

Do not sit over the fire unless you wish to be troubled with chilblains. A sharp walk in the early part of the day will do more than anything to circulate the blood and promote a healthy glow.
